Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), Title IX Anti-Discrimination, Violence Against Women (VAWA), and the Safe and Drug-Free Schools and Communities Act (DFSCA): Policies, Reporting, Warnings, and Notifications and Sanctions

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, more commonly known as the Clery Act, is contained (along with other security-related disclosure requirements) in section 485 of the Higher Education Act, codified at 20 U.S.C. § 1092. It requires all postsecondary education institutions to keep records and report annually on the nature, date, time, and place of crimes occurring on campus, including hate crimes. It also prescribes a number of security-related protocols for emergency response procedures, timely notifications for on-campus crimes, etc.

This Annual Campus Security Report (also known as our Annual Security Report, or ASR) includes Campus Security Statistics which are included at the end of this report.

This report is made available in compliance with the Clery Act. Also included is a copy of information relating to La' James International College Drug and Alcohol Abuse Prevention, Title IX -Federal Anti-Discrimination Policy, and Violence Against Women (VAWA) Policy.

La' James International College's commitment to safety and security includes:

- Providing a secure and crime free environment for students, faculty and staff.
- Performing regular evaluation of security programs.
- Monitoring and following up on each crime reported at La' James International College.

We believe student, faculty, and staff behavior which promotes security awareness is important in all aspects of our lives and we encourage all students, faculty and staff to accept responsibility for their own security as well as the security of other members of La' James International College.

STATEMENT OF CURRENT POLICIES REGARDING PROCEDURES FOR STUDENTS AND OTHERS TO REPORT CRIMINAL ACTIONS AND POLICES CONCERNING THE INSTITUTION'S RESPONSE TO SUCH REPORTS

Students, faculty, or staff who wish to report criminal actions, should immediately contact the College Administrator (Campus Security Authority – (CSA)) or other responsible supervisory personnel at their campus. The criminal action should then be immediately reported to the local law enforcement authorities for assistance and /or investigation. In an emergency, dial 911. The La' James International College Incident Report Form is completed with the assistance of the person reporting the criminal action. The report should be filed as soon as possible with the College Administrator who will follow up on the report personally or assign responsibility to another appropriate designee to follow up and report on the outcome as well as any preventative or other actions taken to ensure the safety and security of all staff, faculty, and students.

A hardcopy of the La' James International College Incident Report Form may be requested from the College Administrator at each campus

Crime Reporting

Efforts are made to inform members of the campus community on a timely basis about campus crime and crime-related issues. These efforts include the following:

- Crime Alerts – Crime Alerts are published when a crime occurs on or near campus that potentially threatens the campus community. The crime alerts are distributed in a variety of methods, depending upon the incident. (See Timely Campus Warnings below.)

How to Report Crimes on Campus

Students and employees are cautioned never to attempt to apprehend or pursue a suspected criminal. Crimes or suspected criminals should be reported to the CSA or other designated staff member and then to local law enforcement at the non-emergency number.

Your cooperation in timely reporting assists the La' James International College in issuing equally timely warnings to the campus community. All crimes must be reported immediately.

Always use your eyes, ears, and telephone to keep campus officials advised of what you see and hear. Contact the College Administrator when you see:

PREPARING THE ANNUAL DISCLOSURE

The College Administrator, serving as the campus security authority (CSA) for the school, has the responsibility of gathering the data for incidents reported and occurring on campus used to prepare the annual campus crime statistics report. Campus crime data is gathered the same day that it is reported. Additional data is obtained from reports made to local law enforcement. Crimes are counted in the disclosure based upon the crime having been reported, not whether there was a conviction. Annually the Compliance Administrator obtains data from local law enforcement to compare with any data gathered at the college campus location. The resulting data is used to prepare the annual crime statistics report.

The Annual Security Report (ASR) is published by October 1 of each year to current students, employees. Access to the ASR is also provided to prospective students and employees, with a notice that a paper copy is available upon request. The report is available on the LJIC website on the Consumer Information page and also on the LJIC student intranet for student access. Notification to current students and staff is posted and announced each year when the updated annual report is published.

REPORTABLE OFFENSES UNDER THE CLERY ACT

The Clery Act requires reporting on the following offenses:

- murder;
- manslaughter (non-negligent)
- sex offenses, forcible and non-forcible;
- robbery;
- aggravated assault;
- burglary;
- motor vehicle theft;
- arson;
- arrests, or persons referred for campus disciplinary action for liquor law violations;
- arrests, or persons referred for campus disciplinary action for drug-related violations;
- domestic violence**
- dating violence**
- stalking**
- arrests, or persons referred for campus disciplinary action for weapons possession; and
- hate crimes, [which for Clery Act purposes include any crime listed in the preceding points and, as of 2008, larceny-theft; simple assault; intimidation; and destruction, damage, or vandalism of property in which the victim is intentionally selected because of his or her actual or perceived race, gender, religion, sexual orientation, ethnicity, or disability.]

**On March 7, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA). Among other provisions, this law amended the Clery Act to require postsecondary institutions to include in their Annual Campus Security Report all instances of domestic violence, dating violence and stalking; and instances of gender identity and national origin crimes which fall under the category of Hate Crimes. These new reportable items must be included in the ASR released by October 1, 2014, using a good faith effort to comply with the law until the final regulations are published with an effective date of July 1, 2015 for the October 1, 2015 ASR reporting deadline.

GEOGRAPHICAL AREA

The Clery Act requires each institution to disclose crime statistics that occur on three types of property: campus, non-campus buildings or property, and public property areas.

“Campus” is defined as buildings or property owned or controlled by the institution within the same reasonably contiguous geographic area and used by the institution in a manner related to the institution’s educational purpose. It also includes property in that contiguous area owned by the institution but controlled by another person, if that property is used by students and supports institutional purposes (e.g. a food or retail vendor). Branch campuses and geographically disconnected administrative divisions or schools would be considered separate campuses for the purposes of reporting.

“Public property” is property that is located within the same reasonably contiguous geographic areas of the campus, like a sidewalk, street or public parking lot, that is adjacent to a facility owned or controlled by the institution for purposes related to the institution’s educational purposes. Crimes occurring on “public property” must also be reported in the crime statistics.

A “non-campus building or property” is one that is owned or controlled by a school recognized student organization, or one that is owned or controlled by the institution and used by students or by the institution for education-related purposes and that is not within the same reasonably contiguous geographic area of the campus. Crimes occurring on “non-campus property” must be reported. However, incidents occurring on public property adjacent to “non-campus buildings or

La' James International College Annual Campus Security Report & Clery Compliance- 2022

property” do not have to be included. Our institution does not have such property in this category for which we must report.

TIMELY CAMPUS WARNINGS or ALERTS

A timely warning to the LJIC campus community is distributed regarding any of the above listed crimes (see Reportable Offenses under the Clery Act) which are deemed to represent a threat to the students and employees, and which are reported to campus officials or to local police agencies. The campus crime alert is issued in a manner that is timely and will aid in the prevention of similar crimes. The manner of dissemination to alert the campus community may include one or more of the following methods: e-mail, voice mail, and text messages. In addition, the College Administrator or designee will post relevant warnings, updates, and advisories on the appropriate college website, (www.ljic.edu) campus bulletin boards, and social media web page. College Administrators or designee may decide to issue an alert about a crime occurring off-campus but in a location frequented by students, even though such a crime would not be included in the annual report. LJIC campuses are located in small communities, and we have maintained good communication with police and fire departments to ensure safety of our students and staff.

A STATEMENT OF CURRENT POLICIES CONCERNING CAMPUS LAW ENFORCEMENT AND POLICIES THAT ENCOURAGE PROMPT REPORTING OF ALL CAMPUS CRIME TO THE LOCAL POLICE

La' James International College is essentially a non-residential school, and does not have a campus police force, and do not have any agreements in place with the state and local law enforcement agencies. Therefore, all crimes are reported to local authorities as described in the first section regarding policies and procedures to report crimes. All crimes should be reported immediately to enhance the opportunity for a quick resolution.

The La' James International College Incident Report Form (referenced above) may be requested from the College Administrator or Administration Office to assist in the description and recording of an incident of crime or emergency.

Voluntary confidential reporting: As La' James International College is essentially a non-residential school and does not have a campus police force all crimes must be reported to local authorities. Local law enforcement will allow a victim or witness to report crime on a voluntary and confidential basis. All victims are encouraged to report all crimes to the appropriate campus College Administrator and local law enforcement. In the event the victim is unable to make such a report, the College Administrator or third-party witness is encouraged to report the crime promptly.

Crime is a serious problem with no easy solutions. Therefore, all members of the school campus community are encouraged to assist one another by taking responsibility for personal safety and assisting with the security needs of others. While school staff and security measures may offer assistance regarding safety and security concerns, ultimately the primary responsibility for your personal safety rests with you.

A STATEMENT OF PROGRAMS AND INFORMATION AVAILABLE TO STUDENTS AND EMPLOYEE SECURITY, PERSONAL SAFETY AND CRIME PREVENTION

LJIC provides information to its students regarding personal safety and crime prevention. LJIC has a directory of services available within the community to assist students who have witnessed or suffered from a criminal act. These services are usually free and are provided by community resources. This directory of services can be obtained from the College Administrator. The college also makes available postings with hotline services that address Domestic Violence, Dating Violence, and Stalking.

A STATEMENT ADVISING OF AVAILABILITY OF INFORMATION ON REGISTERED SEX OFFENDERS

The federal Campus Sex Crimes Prevention Act that became effective October 27, 2002 requires eligible institutions participating in the Title IV Federal Student Aid programs to issue a statement advising the campus community where the State law enforcement agency information concerning registered sex offenders/predators may be obtained. Sex offenders are required to be registered according to the State law in the State in which they reside and are also required to notify appropriate State officials of each postsecondary school at which the offender is employed or is a student. Any such offender is also required to give notice to the appropriate State authorities of any changes in enrollment or employment status at the postsecondary school.

Pursuant to the Campus Sex Crimes Prevention Act, LJIC provides the following information regarding where information on registered sex offenders can be obtained:

In the State of **Iowa** information concerning registered sex offenders and predators may be obtained from:

1. An employee of the college conditioning educational benefits or participation on an individual's participation in unwelcome sexual conduct (i.e. quid pro quo);
2. Unwelcome conduct that a reasonable person would determine is so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the college's education Program or Activity; or
3. Sexual Assault (as defined in the Clery Act), or Dating Violence, Domestic Violence or Stalking as defined in the Violence Against Women Act (VAWA) (collectively referred to as "Sexual Violence")*:

Unwelcome Conduct

Conduct is unwelcome, if a person (1) did not request or invite it and (2) regarded the unrequested or uninvited conduct as undesirable or offensive. That a person welcomes some sexual contact does not necessarily mean that person welcomes other sexual contact. Similarly, that a person willingly participates in conduct on one occasion does not necessarily mean that the same conduct is welcome on a subsequent occasion.

Gender-Based Harassment

Gender-based harassment is verbal, nonverbal, graphic, or physical aggression, intimidation, or hostile conduct based on sex, sex-stereotyping, sexual orientation, or gender identity, but not involving conduct of a sexual nature, when such conduct is sufficiently severe, persistent, or pervasive that it interferes with or limits a person's ability to participate in or benefit from the College's education work programs or activities. For example, persistent disparagement of a person based on a perceived lack of stereotypical masculinity or femininity or exclusion from an activity based on sexual orientation or gender identity also may violate this policy.

Prohibited Conduct

La' James International College enforcing this policy strictly prohibits sexual or other unlawful harassment as described below, or discrimination including sexual violence as defined above, or violence of any nature.

Unlawful harassment or discrimination may include racial epithets, slurs and derogatory remarks, stereotypes, jokes, posters, or cartoons based on race, national origin, age, disability, marital status, or other legally protected categories.

Sexual harassments is conduct based on sex, whether directed toward a person of the opposite or same sex, and may include explicit sexual propositions, sexual innuendo, suggestive comments, sexually oriented "kidding" or "teasing", practical jokes, jokes about or such to display obscene printed or visual material, questions about sexual fantasies, preferences or history, and physical contact such as patting, pinching, or intentionally brushing up against another person's body.

Gender-based harassment is verbal, nonverbal, graphic, or physical aggression, intimidation, or hostile conduct based on sex, sex-stereotyping, sexual orientation or gender identity, but not involving conduct of a sexual nature, when such conduct is sufficiently severe, persistent, or pervasive that it interferes with or limits a person's ability to participate in or benefit from the College's education programs or activities. For example, persistent disparagement of a person based on a perceived lack of stereotypical masculinity or femininity or exclusion from an activity based on sexual orientation or gender identity.

Procedure for Reporting

If you believe that you have experienced or witnessed Sexual Harassment, discrimination, or retaliation, LJIC encourages you to notify your College Administrator or Title IX Coordinator as soon as possible after the incident. A report may be made to either or both the police and the Title IX Coordinator. The criminal process is separate from the college's Title IX Grievance Process.

In order to make informed choices, it is important to be aware of confidentiality and reporting requirements when consulting college resources.

College Administrators have been designated by LJIC as Mandatory Reporters/ Investigators who will gather facts, interview parties or witnesses, share knowledge, notice, and/or reports of Sexual Harassment, discrimination and/or retaliation with the Title IX Coordinator.

La' James International College Annual Campus Security Report & Clery Compliance- 2022

An individual who seeks completely confidential assistance may do so by speaking with professionals who have legally protected confidentiality. The college does not have confidential reporting resources, such as pastoral or professional counselors on campus. Crisis, mental health, and victim resource hotline information is available from the College Administrators and also posted in the college.

LJIC will keep confidential the identity of the complainant, respondent, and witnesses, except as may be permitted by FERPA, as required by law, or as necessary to carry out the Title IX Grievance Process.

There is no time limit on providing notice/complaints to the Title IX Coordinator. However, if significant time has passed, the ability to investigate, respond, and provide remedies may be more limited or impossible.

Dismissal of a Formal Complaint

Dismissal of a Formal Complaint may occur under several Circumstances. LJIC must dismiss a formal complaint if the allegations do not meet the definition of Sexual Harassment, did not occur on the college's campus, or sponsored educational activity, or did not occur against a person in the United States.

The college may dismiss a Formal Complaint if the Complainant informs the Title IX Coordinator in writing, that he, she, or they withdraw the Formal Complaint or allegations therein; the Respondent is no longer enrolled or employed by the college; or if specific circumstances prevent the institute from gathering sufficient evidence to reach a determination.

If the Title IX coordinator receives multiple informal complaints of harassment against a single (same) respondent, they will not be required to begin a formal complaint process.

If a Formal Complaint is dismissed, the Parties will be provided written notice of the dismissal outlining the explanation for dismissal. A dismissal does not prevent action by the college under Conduct Policy.

Grievance Process

Generally, the Grievance Process consists of a Formal Complaint, Investigation, Live Hearing, Determination, Disciplinary Actions, Remedies, and Appeal (if applicable). The Grievance Process, without extenuating circumstances will conclude within 90 days from the date the Formal Complaint is filed.

In exceptional circumstances, (including but not limited to especially complex cases or when the college is not in session), it may be necessary to extend the conclusion timeline. If that occurs, both parties will be informed of the extended time for conclusion.

LJIC utilizes a prompt, equitable and impartial Grievance Process to evaluate Formal Complaints. Title IX personnel (Title IX Coordinator, Investigators, Decision-Makers) will be free from conflicts of interest or bias for or against Complainants or Respondents.

The college will make every effort to handle complaints and investigations with sensitivity to both the rights of the person who complains and the rights of the accused.

Investigation of Formal Complaints- Resolutions- Hearings

The college will conduct an investigation of Sexual Harassment allegations by a Formal Complaint filed by a Complainant, as appropriate under circumstances. Respect will be made to the Complainant's wishes as to whether the college investigates an allegation of Sexual Harassment unless the Title IX Coordinator determines that not investigating would be deliberately indifferent or harmful to the college campus community.

A complaint that a student, faculty member, or staff has committed sexual harassment or engaged in nonconsensual sexual activity may be made to the Title IX Compliance Officer, College Administrator, faculty member, or staff member. The college will conduct an investigation, as appropriate under the circumstances.

The investigative process involves interviewing the parties involved and any witnesses while gathering documentary or other evidence. In cases involving alleged criminal conduct, the complainant may file a criminal complaint with the local police department.

Based on the outcome of the investigation, the Title IX Officer will determine if there is sufficient cause to proceed with the complaint. If so, the Title IX Officer will arrange for an informal resolution conference with the accused. (Complainants do not attend informal resolution meetings but are apprised of the meeting's outcome.) If the accused does not accept responsibility for the allegations and/or the proposed sanction, the Title IX Officer or their designee will determine if the evidence warrants a formal hearing.

Evidence related to allegations will be provided to parties and advisors at least 10 days prior to requiring a response. Parties are not prohibited from speaking about the allegations.

The exact nature of the responsive action depends on the circumstances and may include discipline up to and including suspension or dismissal from the Institution for a student, staff or faculty who is found to have violated college policies.

La' James International College handles complaints discreetly and attempts to maintain privacy throughout the investigative process, to the extent practicable and appropriate under the circumstances. However, in order to conduct an investigation, it is generally necessary to discuss the allegations with the accused and other potential witnesses. Additionally, the institution may have legal obligations to disclose information to law enforcement or in the context of legal proceedings.

Complaints may be made anonymously. While the college endeavors to investigate all complaints, including anonymous complaints, the nature of anonymous complaints makes investigation, determination, and remediation more difficult and, at times, impossible. Further, while the Institution attempts to protect the identity of complainants who do not wish to be identified, this may not always be possible.

In appropriate cases as determined by the college, conflict resolution may be possible. This is permitted only where both the complainant and accused voluntarily agree to participate, and either party may terminate informal resolution attempts and commence formal grievance procedures at any time prior to reaching a mutually acceptable resolution. Depending on the circumstances, a mediated resolution may not necessarily involve face-to-face discussions between the complainant and the accused. Certain cases are not appropriate for conflict resolution, such as complaints of particularly egregious sexual harassment or cases involving sexual assault or violence.

Occasionally, an individual makes a complaint and later wishes to revoke or discontinue the investigation or adjudication process. Similarly, it may occur that someone other than the

La' James International College Annual Campus Security Report & Clery Compliance- 2022

victim reports an incident, and the victim declines to participate in the investigation or adjudication process. In other instances, complaints may be received anonymously and/or the victim may not wish to be personally identified. The Institution endeavors to respect the wishes of a victim to either not be identified and/or not participate in the process. In these situations, the college attempts to investigate and address complaints in accordance with the victim's wishes.

If a victim wishes to talk about an incident with the assurance that the discussion will be confidential and will not result in an investigation or follow up action, the college offers confidential resources that does not result in a complaint being filed with the institution or result in action being taken by the institution.

If a Formal Complaint is not or cannot be resolved through Informal Resolution, the Institute will conduct a hearing either live or virtually. Hearings are facilitated by a designated Decision-Maker, separate from the Title IX Coordinator or Reporter/ Investigator. The Decision-Maker will be selected by the Title IX Coordinator. Both parties may have an advisor present at the hearing. Cross-examination of the complaining and responding parties as well as any witnesses, during a live hearing led by college officials. Cross examination will be conducted by advisors of parties, including legal counsel, but not by the parties themselves.

For all Formal Complaints of Sexual Harassment (including where employees are Respondents), LJIC utilizes the preponderance of the evidence standard, meaning the Institute will evaluate whether it is "more likely than not" that the alleged conduct occurred.

Disciplinary Actions and Remedies

Disciplinary Actions against Respondents may or may not be imposed before completion of the LJIC's Grievance Process. Following a determination of responsibility, appropriate corrective action will be taken, and the Institute will take steps to prevent recurrence. Disciplinary Actions taken will be determined on a case-by-case basis. Factors considered when determining Disciplinary Action may include but are not limited to: Nature, severity of, and circumstances surrounding the violations(s); Respondent's disciplinary history; Previous allegations or allegations involving similar conduct; Need for disciplinary action to bring an end/prevent future reoccurrence of the violation; Need for disciplinary action to remedy the effects on the Complainant and LJIC and the safety for all; Impact on the parties; Any other information deemed relevant by the Decision-Maker.

Disciplinary Action for student-related claims may include, but are not limited to, additional training, a restriction on contact, warning, suspension, or termination. Failure to abide by imposed Disciplinary Actions (whether by refusal, neglect, or any other reason), may result in additional Disciplinary Action, including suspension or termination. Employees are also subject to processes and discipline determined by the Human Resources Department for acts of Sexual Harassment. The HR process is separate and apart from the Title IX process and not constrained by the outcome of the Title IX process. Individuals who make a materially and intentional false statements during a Title IX Grievance Process will be subject to disciplinary action.

The Decision-Maker will issue a Written Determination of the findings of fact, conclusion of alleged conduct, disciplinary actions as applicable, and any remedies as applicable provided to Complainant.

Both Parties have the right to appeal a determination regarding responsibility, LJIC's

La' James International College Annual Campus Security Report & Clery Compliance- 2022

dismissal of a Formal Complaint or any allegations therein if: (1) procedural irregularity affected the outcome of the matter; (2) there is newly discovered evidence that could affect the outcome of the matter; and/or (3) Title IX personnel had a conflict of interest or bias, that affected the outcome of the matter. To be considered, an appeal must be submitted in writing to the Title IX Coordinator within 10 days of the delivery of the Written Determination.

Retaliation Prohibited

The college prohibits retaliation against any individual who in good faith makes a complaint of sex discrimination, sexual harassment, or sexual misconduct or participates as a witness in a proceeding under this or any other college policy. Retaliation is also unlawful pursuant to Title IX and other laws. If anyone feels they have been retaliated against, they should notify the Title IX Coordinator.

Sexual Assault Prevention

Campus Sexual Violence Elimination Act of 2013 (SaVE Act) requires schools to educate students, staff, and faculty on the prevention of rape, acquaintance rape, domestic violence, dating violence, sexual assault, and stalking. As part of La' James International College's compliance with the SaVE Act requirements for prevention and awareness programs that address the specified areas above, the institution has contact resource information available in the student lab and/or breakroom. These services are from nationally recognized organizations and include awareness and preventive information and may include help hotlines related to these specific topics.

La' James International College attempts to protect members of its campus community, including visitors, from sexual assaults. LJIC strongly encourages the following actions to prevent or protect against sexual assault:

Use of a "Buddy System" when walking to parked cars at night and leaving the building in a group when classes are dismissed

- If an assault occurs, notify the College Administrator immediately
- Do not disturb the crime scene
- Notify local law enforcement officials
- Secure counseling for the victim, or offer a referral to appropriate entities that provide applicable counseling
- Change the academic schedule if victim requests
- Disciplinary actions against the assaulter include dismissal from the School

As part of the effort to provide an environment conducive to the school's mission, the following services relating to sexual assault are provided at La' James International College. The college hosts organizational speakers to enhance awareness of sexual assault and the condition that fosters this offense on school campuses. The school undertakes efforts to safeguard the rights and interest of the survivor and pursues sanctions against the perpetrator(s) of sexual assault. The school official will, upon request, arrange transportation to a hospital for treatment and evidence collection; provide notification to an off-campus support and counseling service; provide assistance in contacting the appropriate law enforcement agency as applicable.

La' James International College does not tolerate sexual assault against any gender, whether committed by a stranger or by an acquaintance. The school attempts to protect members of the school community, including visitors, from sexual assaults and offers any student, faculty or staff member who survives a sexual assault that occurs within the

La' James International College Annual Campus Security Report & Clery Compliance- 2022

context of the college community, the support necessary to enable them to continue to pursue their academic or career goals.

Pursuant to Iowa Code Section 261.9(1)(h), any La' James International College employee located in Iowa who in the scope of the person's employment responsibilities examines, attends, counsels or treats a child must report suspected physical or sexual abuse to LJIC's College Administrator (Campus Security Authority- (CSA)), or other responsible supervisory personnel at their campus and to law enforcement. Any report of suspected child physical or sexual abuse should be made as soon as possible, but within 48 hours, to the above designated school officials, who in turn shall immediately make a report to the law enforcement.

Additional Definitions- Iowa Codes

Consent is defined in as "intelligent, knowing, and voluntary consent and does not include coerced submission. Consent shall not be deemed or construed to mean the failure by the alleged victim to offer physical resistance to the offender."

The **Iowa** Age of Consent is 16 years old. In the United States, the [age of consent](#) is the minimum age at which an individual is considered legally old enough to consent to participation in sexual activity. Individuals aged 15 or younger in Iowa are not legally able to consent to sexual activity, and such activity may result in prosecution for [statutory rape](#).

Iowa statutory rape law is violated when a person has consensual sexual intercourse with an individual under age 16. A close in age exemption allows teens aged 14 and 15 to consent to partners less than 4 years older. Regardless of age, it is also illegal for a school employee to engage in sexual intercourse with a current student or even a student who attended school within 30 days of such a violation.

Iowa, a person commits the crime of child enticement by:

- luring or attempting to lure a child the defendant reasonably believes to be under the age of 13 to engage in sexual conduct
- luring or attempting to lure a child the defendant reasonably believes to be under the age of 16 to engage in sexual conduct, or
- luring or attempting to lure a child the defendant reasonably believes to under the age of 16 to commit any illegal act.

The crime is punished more severely if the child is under the age of 13 and less severely if the defendant merely attempts to lure a child under the age of 16 to commit an illegal act. The crime is considered to have occurred in Iowa if the child is present in Iowa or the communication originates in **Iowa**.

(Iowa Code § 710.10)

For example, an adult who arranges to meet with a fifteen-year-old for sex could be convicted of child enticement in Iowa, as could an adult who arranges to meet for sex with a police officer posing as a fifteen-year-old child.

Iowa 728.12 Sexual Exploitation of a Minor

It shall be unlawful to employ, use, persuade, induce, entice, coerce, solicit, knowingly permit, or otherwise cause or attempt to cause a minor to engage in a prohibited sexual act or in the simulation of a prohibited sexual act. A person must know, or have reason to know, or intend that the act or simulated act may be photographed, filmed, or otherwise preserved in a visual depiction. A person who commits a violation of this subsection commits a class "C" felony.

La' James International College Annual Campus Security Report & Clery Compliance- 2022

Notwithstanding section 902.9, the court may assess a fine of not more than fifty thousand dollars for each offense under this subsection in addition to imposing any other authorized sentence.

Sexual Assault Forcing a sexual act on another person without their consent or because they are vulnerable, otherwise known as sexual assault, is a crime in the state of **Iowa**. A conviction could mean fines, restitution and even time spent behind bars. If certain factors are present in the case, you could be sentenced to a felony-level crime, which means you'll be sentenced to prison.

Under **Iowa's Code**, sexual assault or rape is referred to as sexual abuse. It can incorporate both inappropriate sexual contact as well as actual penetration or contact between sexual organs. The charge can be enhanced if certain facts are true and can lead to life altering penalties.

Definitions for Sexual Assault Under Iowa Law

It's important you have an understanding of the definition for certain terms before learning about the penalties for sexual assault. Under the **Iowa Code**, a "sex act" is any sexual contact between two or more people that incorporates any of the following:

- Penetration involving genitals or the anus;
- Contact between the mouth and genitalia or the anus;
- Contact between fingers of one person and the genitalia or anus of another;
- Ejaculation on another person; or
- Using artificial sexual organs or substitutes in contact with the anus or genitalia

In **Iowa**, you're considered to have committed "sexual abuse" if you had sexual contact between another person or persons that involved any of the following circumstances:

- The sexual act is committed against the other person's will;
- The other person gave consent after they were procured with threats of violence;
- The act was done under the influence of a drug inducing sleep or in a state of deep unconsciousness such as being extremely inebriated;
- The other person suffered from a mental defect or incapacity which makes them unable to give consent or understand what a sexual act means; or
- The other person involved was a child under the age of 16 years old

Domestic Violence

In **Iowa**, domestic abuse [assault](#) offenses are considered serious crimes. As such, if you're convicted, the court can impose a mandatory minimum sentence. The length of the mandatory minimum depends on whether or not you have been convicted of any prior offenses.

Iowa Code § 708.2A defines domestic abuse assault as an assaultive offense committed *against a family or household member*.

The following meet Iowa's definition of assault:

- Engaging in conduct that's intended to cause pain or injury to another person
- An act meant to put an individual in reasonable fear of imminent physical harm
- Pointing a gun or displaying a dangerous weapon at someone else

An assaultive offense becomes domestic abuse when it's committed against a:

- Spouse
- Former spouse
- Person with whom you have a child
- Intimate dating partner

Iowa Code §708.11 Stalking

A person commits stalking when all of the following occur: a. The person purposefully engages in a course of conduct directed at a specific person that would cause a reasonable person to feel terrorized, frightened, intimidated, or threatened or to fear that the person intends to cause bodily injury to, or the death of, that specific person or a member of the specific person's immediate family. b. The person has knowledge or should have knowledge that a reasonable person would feel terrorized, frightened, intimidated, or threatened or fear that the person intends to cause bodily injury to, or the death of, that specific person or a member of the specific person's immediate family by the course of conduct

"Credible threat" means a verbal or nonverbal threat, or a combination of the two, including threats delivered by electronic communication or implied by a pattern of conduct, which places the person who is the target of the threat in reasonable fear for his or her safety, or the safety of his or her family members or individuals closely associated with the person, and which is made with the apparent ability to carry out the threat to cause such harm. It is not necessary to prove that the person making the threat had the intent to actually carry out the threat. The present incarceration of the person making the threat is not a bar to prosecution under this section.

"Cyber stalk" means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

A person, who willfully, maliciously, and repeatedly follows, harasses, or cyber stalks another person commits the offense of stalking, a misdemeanor of the first degree, punishable as provided in:

Iowa Code §708.7 Harassment

1. a. A person commits harassment when, with intent to intimidate, annoy, or alarm another person, the person does any of the following:

- Communicates with another by telephone, telegraph, writing, or via electronic communication without legitimate purpose and in a manner likely to cause the other person annoyance or harm.
- Places a simulated explosive or simulated incendiary device in or near a building, vehicle, airplane, railroad engine or railroad car, or boat occupied by another person.
- Orders merchandise or services in the name of another, or to be delivered to another, without the other person's knowledge or consent.
- Reports or causes to be reported false information to a law enforcement authority implicating another in some criminal activity, knowing that the information is false, or reports the alleged occurrence of a criminal act, knowing the act did not occur.
- Disseminates, publishes, distributes, posts, or causes to be disseminated, published, distributed, or posted a photograph or film showing another person in a state of full or partial nudity or engaged in a sex act, knowing that the other person has not consented to the dissemination, publication, distribution, or posting.

b. A person commits harassment when the person, purposefully and without legitimate purpose, has personal contact with another person, with the intent to threaten, intimidate, or alarm that other person.

Bystander Intervention: A bystander is someone other than the victim who is present when an act of dating violence, domestic violence, stalking, or sexual assault is occurring or when a situation is occurring in which a reasonable person feels as though some protective action is required to prevent sexual

La' James International College Annual Campus Security Report & Clery Compliance- 2022

assault, dating violence, domestic violence, or stalking. Bystanders, if active, can prevent harm or intervene before a situation gets worse.

Reporting sexual assault, dating violence, domestic violence, or stalking

After an incident of sexual assault or domestic violence, the victim should consider seeking medical attention as soon as possible at a local hospital that will supply a physical evidence recovery collection kit. **In Iowa**, you have the right to: A free medical examination (Sexual Assault Evidence Exam) whether or not you choose to report the crime to the police that is paid for by the **State of Iowa**. Apply for financial assistance from the [Crime Victim Compensation Program](#) by submitting a [Crime Victim Compensation Application](#).

A victim's name and identifying information will be withheld from the public and press in accordance with the Public Records Law. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence as may be necessary to the proof of criminal activity may be preserved. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease.

Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to the Institution's hearing boards/investigators or police. Although the institution strongly encourages all members of its community to report violations to law enforcement, it is the victim's choice whether or not to make such a report, and victims have the right to decline involvement with the police.

The purpose and authority of the institution staff is limited to the enforcement of campus rules and regulation and Campus Security and Safety. Incidents that go beyond this scope are referred and investigated by the Local Police Department.

A victim of domestic violence, dating violence, sexual assault or stalking has the following rights:

1. A law enforcement officer who investigates an alleged sexual battery shall:
 - (a) Assist the victim in obtaining medical treatment, if medical treatment is necessary as a result of the alleged incident, a forensic examination, and advocacy and crisis-intervention services from a certified rape crisis center and provide or arrange for transportation to the appropriate facility.
 - (b) Advise the victim that he or she may contact a certified rape crisis center from which the victim may receive services.
 - (c) Prior to submitting a final report, permit the victim to review the final report and provide a statement as to the accuracy of the final report.
2. The law enforcement officer shall give the victim immediate notice of the legal rights and remedies available to a victim on a standard form developed and distributed in conjunction with the Department of Law Enforcement. The notice will include the resource listing, including telephone number, for the area certified rape crisis center as designated by the State.

A person who is the victim of sexual violence or the parent or legal guardian of a minor child who is living at home who is the victim of sexual violence has standing in the circuit court to file a sworn petition for an injunction for protection against sexual violence on his or her own behalf, or on behalf of the minor child if:

La' James International College Annual Campus Security Report & Clery Compliance- 2022

1. The person has reported the sexual violence to a law enforcement agency and is cooperating in any criminal proceeding against the respondent, regardless of whether criminal charges based on the sexual violence have been filed, reduced, or dismissed by the state attorney; or
2. The respondent who committed the sexual violence against the victim or minor child was sentenced to a term of imprisonment in state prison for the sexual violence and the respondent's term of imprisonment has expired or is due to expire within 90 days following the date the petition is filed.

Further, La' James International College complies with State law in recognizing orders of protection for dating violence, domestic violence, repeat violence, and sexual violence. Any person who obtains an order of protection from the State or any reciprocal state should provide a copy to the Title IX Coordinator and / or College Administrator. A petitioner should then meet with Title IX Coordinator and/ or College Administrator to develop a Safety Action Plan, which is a plan to reduce risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to: escorts, special parking arrangements, or other measures to assist the petitioner.

A victim has the option of filing a restraining order and should follow the directives from their local Law Enforcement for details.

To the extent of the victim's cooperation and consent, all Institutional offices will work cooperatively to ensure that the petitioner's health; physical safety, work and academic status are protected, pending the outcome of a formal Institution investigation of the complaint. Additionally, personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant. The Institution does not publish the name of crime victims nor publish any identifiable information regarding victims in ASR reports.

LJIC Awareness Programs & Prevention Campaigns

La' James International College engages in educational programming to prevent domestic violence, dating violence, sexual assault and stalking. Educational programming consists of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for students and faculty that:

1. Identifies domestic violence, dating violence, sexual assault and stalking as prohibited conduct;
2. Defines what behavior constitutes domestic violence, dating violence, sexual assault, and stalking;
3. Defines what behavior and actions constitute consent to sexual activity in:

Iowa

Sexual intimacy requires that all participants consent to the activity. Consent between two or more people is defined as an affirmative agreement--through clear actions or words--to engage in sexual activity. The person giving the consent must act freely, voluntarily, and with an understanding of their actions when giving the consent. Lack of protest or resistance does not constitute consent, nor does silence mean consent has been given. Relying solely on non-verbal communication can lead to misunderstanding. Persons who want to engage in the sexual activity are responsible for obtaining consent--it should never be assumed. A prior relationship or prior sexual activity is not sufficient to demonstrate consent.

Consent must be present throughout the sexual activity--at any time, a participant can communicate that they no longer consent to continuing the activity. If there is confusion

La' James International College Annual Campus Security Report & Clery Compliance- 2022

as to whether anyone has consented or continues to consent to sexual activity, it is essential that the participants stop the activity until the confusion can be clearly resolved.

In addition, under Iowa law the following people are unable to give consent:

- Persons who are asleep or unconscious
 - Persons who are incapacitated due to the influence of drugs, alcohol, or medication (see "Resource Links" below for Iowa Code Section 709.1A, Incapacitation)
 - Persons who are unable to communicate consent due to a mental or physical condition
- Generally, minors under the age of 16.

4. Provides safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than the bystander.

When & How to Intervene

Every situation is different and there is no universal response when intervening to prevent sexual violence. Safety is key in deciding when and how to respond to sexual violence. Every person must

decide for themselves the safest and most meaningful way to become an engaged bystander. Some ideas on how to maintain safety while being an engaged bystander:

- If you witness sexual violence, get support from people around you. You do not have to act alone. If you do not feel safe, contact the police.
- When intervening, be respectful, direct and honest.
- Group setting and sexual gestures made to a person in the group. Person becomes upset.

An engaged bystander could tell the group to stop harassing the person or ask the person if they want to leave and tell an appropriate authority (Ex: Instructor or Supervisor.)

- Group setting and a friend starts flirting with someone. The other person is not interested, but the friend will not leave them alone. An engaged bystander could approach the friend and start a conversation to distract them from the uninterested person.
5. Provides information on risk reduction so that students and employees may recognize warning signs of abusive behavior and how to avoid potential attacks. – See below Risk Reduction/Warning Signs of Abusive Behavior
 6. Provides an overview of information contained in the Annual Security Report in compliance with the Clery Act.

This educational campaign will consist of but not be limited to the distribution of educational materials to new students, participating in and presenting information and materials during student/employee orientation and through newsletters among other means of distribution through the year. The college also has a directory of services that are available to victims within the community to assist those who have suffered from a criminal act.

Risk Reduction/Warning Signs of Abusive Behavior

No victim is ever to blame for being assaulted or abused. Unfortunately, a person who is the victim of sexual or dating violence is more likely to be re-victimized. Below are some tips to help reduce your risk, to recognize warnings signs of abusive behavior and how to avoid potential attacks.

Warning Signs of Abusive Behavior

Domestic and dating abuse often escalates from threats and verbal abuse to violence. And, while physical injury may be the most obvious danger, the emotional and psychological consequences of domestic and dating violence are also severe. Warning signs of dating and domestic violence include:

1. Being afraid of your partner.
2. Constantly watching what you say to avoid a “blow up.”
3. Feelings of low self-worth and helplessness about your relationship.
4. Feeling isolated from family or friends because of your relationship.
5. Hiding bruises or other injuries from family or friends.
6. Being prevented from working, studying, going home, and/or using technology (including your cell phone.)
7. Being monitored by your partner at home, work, or school.
8. Being forced to do things you don't want to do.

Help Reduce Your Risk and Avoid Potential Attacks

If you are being abused or suspect that someone you know is being abused, speak up or intervene.

1. Learn how to look for “red flags” in relationships so you can learn to avoid some of those characteristics in future partners.
2. Consider making a report with the College Administrator and ask for a “no contact” directive from the college to prevent future contact.
3. Consider getting a protective order or stay away order.
4. Learn more about what behaviors constitute dating and domestic violence, understand it is not your fault, and talk with friends and family members about ways you can be supported.
5. Trust your instincts—if something doesn't feel right in a relationship, speak up or end it.

Sexual Assault Prevention (From Rape, Abuse and Incest National Network - RAINN)

- Try not to leave your drink unattended.
- Only drink from un-opened containers, or from drinks you have watched being made and poured.
- Cover your drink. It is easy to slip in a small pill even while you are holding your drink. Hold a cup with your hand over the top or choose drinks that are contained in a bottle and keep your thumb over the nozzle.
- If you feel extremely tired or drunk for no apparent reason, you may have been drugged. Find your friends and ask them to leave with you as soon as possible.
- If you suspect you have been drugged, go to a hospital and ask to be tested.
- Keep track of how many drinks you have had.
- Try to come and leave with a group of people you trust.
- Avoid giving out your personal information (phone number, where you live, etc.). If someone asks for your number, take his/her number instead of giving out yours.

Traveling to and from campus and outside the campus building

- Make sure your cell phone is easily accessible and fully charged.
- Take major, public paths rather than less populated shortcuts if walking to and from the college.

La' James International College Annual Campus Security Report & Clery Compliance- 2022

- Avoid dimly lit places and talk to the College Administrator if lights need to be installed in an area.
- Avoid putting music headphones in both ears so that you can be more aware of your surroundings, especially if you are walking alone.
- Carry a noisemaker on your keychain.
- Carry a small flashlight on your keychain.

La' James International College has a sexual assault prevention program that includes, but is not limited to the following:

- If an assault occurs, notify the College Administrator immediately
- Do not disturb the crime scene
- Notify local law enforcement officials
- Secure counseling for the victim
- Change the academic schedule if victim requests
- Disciplinary actions on the assaulter includes dismissal from the college.

The nature of sexual assault, particularly when perpetrated by an acquaintance, makes it difficult for many survivors to report their experience. For this reason, the local Shelters and Women's Service Centers are primary places where individuals may seek assistance in complete confidentiality.

Suggestions to Reduce Risk:

- There is strength in numbers or group dates. Go to parties or clubs with a friend and be responsible for each other. Don't split up. Have a preplanned signal to let your friend know that you want to leave or need help.
- Control your alcohol; don't let it control you. Drink responsibly or not at all, especially on first dates.
- No substance abuse.
- Know your limits. It's never too late to say "no." Don't be embarrassed or ashamed to say "no" or ask someone to stop. It is your body.
- Verbalize your expectations. Be up front. Talk about sexual boundaries. A potentially embarrassing conversation could save you from a traumatic situation.
- Trust your gut instinct. Guard your personal space. If someone makes you uncomfortable, remove yourself from the situation.
- Believe in yourself. Know your rights. Women do not ask to be raped any more than a man with money in his pocket is asking to be robbed. You are in charge of your body and you can say "NO".

Response to Reports of Sexual Assault

La' James International College is committed to creating an environment that both promotes and assists in prompt reporting of sexual assault, and to providing compassionate support services for survivors. Students who are the victims of campus-related sexual assault are entitled to certain rights. These rights include, but are not limited to, the following:

- The survivor has the right to have their claims treated seriously and to be treated with dignity.
- The survivor has the right to be informed of their options with regard to notifying law enforcement authorities and to be assisted in notifying such authorities if they so choose. Because the school recognizes that a sexual assault is more than an assault on an individual's body; but is also an attack on the individual's dignity and sense of self, the school is committed to ensuring that the decision to take action against the accused rests solely with the survivor. There may be circumstances, however, depending upon the status of the alleged assailant and the seriousness of the offense, in which the school must take action to protect the survivor or the campus community. Federal law requires that the school provide the campus community with timely notice of certain reported crimes and/or acts the institution believes represent a threat to members of the campus community.
- The survivor has the right to be free from undue coercion of any kind from the school's personnel. Such coercion includes but is not limited to pressuring the survivor to report, not to report, or to under report a sexual assault; suggesting that the survivor somehow contributed to or assumed the risk of being sexually assaulted; or suggesting that the survivor or the school would incur unwanted publicity or humiliation by reporting the sexual assault.
- Student survivors may choose to change academic arrangements, if such changes are reasonably available, without financial or academic penalty. For assistance in exploring options for a change in academic situations, contact should be made with the College Administrator.

If you are Sexually Assaulted

- Get to a safe place.
- Call the police as soon as it is safe to do so by dialing 9-1-1.

Reporting the Assault

Students who believe that they are victims of a sexual assault should contact their College Administrator.

School faculty, staff members or campus visitors who believe they are victims of a sexual assault should contact at least one of the following College officials:

- Title IX Coordinator
- College Administrator/ Investigator
- Human Resources

Individuals who have been raped or sexually assaulted should try to preserve all physical evidence. They should not wash, use the toilet, or change clothing, if doing so can be avoided. If oral contact took place, one should not smoke, eat, drink, or brush one's teeth. If one changes clothes, all clothing worn at the time of the attack should be placed in a paper bag, not plastic. Medical attention should be sought as soon as possible to assess any physical injuries, provide appropriate medical treatment, and collect important evidence in the event legal action is taken.

In cases of alleged sexual assault, the accuser and the accused are entitled to the same opportunities to have others present during campus disciplinary proceedings, and both the accuser and the accused shall be informed of the outcome of any campus disciplinary

La' James International College Annual Campus Security Report & Clery Compliance- 2022

proceeding brought alleging a sexual assault. The institution will, upon written request, disclose to the alleged victim of any crime of violence (as that term is defined in section 16 of title 18, United States Code), or a nonforcible sex offense, the report on the results of any disciplinary proceeding conducted by LJIC against a student who is the alleged perpetrator of such crime or offense with respect to such crime or offense. If the alleged victim of such crime or offense is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph. An accused perpetrator of sexual assault, if determined to be responsible of the accused sexual assault, may be dismissed from La' James International College immediately.

The nature of sexual assault, particularly when perpetrated by an acquaintance, makes it difficult for many survivors to report their experience. For this reason, the local Shelters and Women's Service Centers are primary places where individuals may seek assistance in complete confidentiality.

A STATEMENT OF PROGRAMS AVAILABLE TO STUDENTS AND EMPLOYEES RELATED TO CAMPUS SECURITY, PERSONAL SAFETY, AND CRIME PREVENTION

The College has access to a directory of services that are available, within the community, to assist those who have suffered from a criminal act. These services are usually free and are provided by the community. During the orientation of students, faculty and staff, procedures are outlined to cover the reporting of all criminal acts.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES – STATEMENT OF POLICY

La' James International College has in place at each campus facility a campus response protocol. In an emergency or a dangerous situation, upon confirmation with the College Administrator, or designee, of the need for mass notification, the College Administrator, or designee, will without delay, taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. Emergency or dangerous situations may include, but are not limited to, gas leaks, tornadoes, contagious viruses, etc.

EMERGENCY NOTIFICATIONS

In the event of an emergency or a dangerous situation that poses an immediate threat to the campus community, La' James International College may utilize some or all of its mass notification capabilities to notify its campus community. These capabilities may include e-mail, voice mail and text messages to alert the campus community. In addition, members of the administration will post relevant updates and advisories on the appropriate school Website www.ljic.edu and bulletin boards, as well as social media. The College Administrator, or designee, will simultaneously use the local means at her disposal to notify the campus students, staff and faculty of the situation, as well as disseminate pertinent information to relevant public entities. This emergency notification requirement does not replace the timely warning requirement described earlier. They differ in that the timely warning applies only to Clery reportable crimes while the emergency notification requirement addresses a much wider range of threats (i.e., gas leaks, tornadoes, contagious viruses, etc.). However, an institution that follows its emergency notification procedures is not required to issue a timely warning based on the same circumstances but must provide adequate follow-up information to the community as needed.

Members of the community at large who are interested in receiving updates during an emergency can call the La' James International College student line 1-(888) 289-3842, check La' James Facebook for postings, or visit the website at www.ljic.edu.

Student Must Know – Emergency Information

The campus takes various precautionary measures to protect the students, staff, faculty, and campus visitors. LJIC campuses are located in small communities and we have maintained good communication with police and fire departments to ensure safety of our students and staff. Fire extinguishers are checked annually and tagged for proper working condition. Nevertheless, unavoidable emergencies may occur in extreme situations. Nothing herein precludes any student, staff or faculty from contacting the appropriate authorities directly in the event they feel in threat of physical harm or imminent danger.

Student Emergency Responses

There is potential for students to be involved in a variety of emergency situations for which appropriate actions must be taken. These possible situations include incidences that may require emergency evacuation, emergency lockdown, external lockdown, or to shelter in place.

Emergency Evacuation

Evacuation is the movement of campus occupants from a dangerous or potentially dangerous location to a safe location. There are two types of evacuation: fire evacuation and non-fire evacuation.

Emergency response and evacuation procedures are covered at orientation and posted within the college. Evacuation procedures are tested annually at each college. The annual tests are documented on the fire log and all students and staff sign verifying their participation.

Fire evacuation:

- Evacuation is mandatory when a fire alarm is activated.
- Follow authorized personnel's (e.g., faculty, staff, or fire department personnel, etc.) instructions if given.
- Assist people with disabilities, if possible.
- Ensure all doors and windows are closed as a room and building are evacuated. (Do not lock doors.)
- Do not attempt to reenter the facility unless and until directed to do so by authorized personnel.
- Evacuate to a safe distance and location from the building affected, away from fire hydrants, fire lanes, and not under power lines.

Non-fire evacuation

- A non-fire evacuation will be initiated by campus staff member.
- Follow campus staff member instructions if given.
- Assist people with disabilities if possible.
- Do not attempt to reenter the facility unless directed to do so

Emergency Lockdown

Emergency Lockdown is used to dramatically and rapidly enhance the level of security of the campus. By locking all exterior, interior and classroom doors, staff can make it more difficult for dangerous person(s) in the vicinity of the campus and in the campus to gain access to staff and students;

- Lock or barricade doors of classroom and internal student areas of congregation.
- Close blinds, turn off lights.
- Remain quiet and out of sight.
- If gunshots are heard, lie on the floor and try to use available resources for additional cover and concealment.
- If you are outside when a lockdown is declared, seek shelter away from danger.

La' James International College Annual Campus Security Report & Clery Compliance- 2022

- If a fire alarm is activated during a lockdown, proceed with extreme caution.
- Do not open the door for people claiming to be public safety personnel unless you have an opportunity to view photo identification or are instructed to do so by a staff member whom you recognize.

External Lockdown

External lockdown creates a physical layer of security between the internal and external dimensions of the campus. In addition to locked entrances, this may also include a supervised entry and exit to campus facilities, and/or barricade to campus property (e.g., barricades or chains restricting access to campus parking and grounds). This lockdown allows staff and students to continue activities while maintaining access control to the campus and remain in an elevated state of security.

- Remain in classroom.
- Follow faculty and staff instructions
- Remain attentive to any change in status.

Shelter in place

Sheltering in place procedures are traditionally utilized when:

1. A tornado has been spotted.
2. There has been a chemical or biological incident outside of, but in proximity to a campus and available information indicates that there is no adequate time to evacuate building occupants to another safe location before the dangerous contaminants reach the facility.
 - Follow staff and faculty instructions.
 - Assist people with disabilities if possible
 - If you are outside when a shelter in place is declared, immediately seek an interior room or hallway with no windows.
 - Close windows and doors – do not lock doors.
 - Remain in shelter until an all clear is given.

Staff and Faculty Must Know – Emergency Information

The campus takes various precautionary measures to protect the students, staff, faculty, and campus visitors. Nevertheless, unavoidable emergencies may occur in extreme situations.

Nothing herein precludes any student, staff or faculty from contacting the appropriate authorities directly in the event they feel in threat of physical harm or imminent danger.

Staff and Faculty Emergency Responses

*** In case of emergency: dial 911 ***

There are a number of different potential situations that may occur that have capability to impact students or staff and faculty. The following possible scenarios are described below with steps to be taken.

- Emergency evacuation for a fire incident
- Emergency evacuation for bomb threat or other non-fire situation
- Emergency lockdown
- External lockdown
- Shelter in place

Emergency Evacuation for a Fire Incident

Definition

La' James International College Annual Campus Security Report & Clery Compliance- 2022

A fire emergency evacuation is initiated when a fire incident occurs. Depending upon the campus size, it may require an evacuation of a single particular building affected by the fire incident, rather than the entire campus.

The objective: all building occupants are safely evacuated to a safe distance and location from the building affected, away from fire hydrants, fire lanes, and not under power lines.

Staff Response

Staff/faculty responsible for the affected areas should conduct a sweep of the building(s) to ensure all students are aware of and appropriately responding to the fire alarm and safely evacuated.

Fire evacuation procedures:

- Evacuation is mandatory when a fire alarm is activated.
- Designated staff or faculty check the affected building(s) to ensure all personnel are appropriately evacuating.
- Do not use the elevators as applicable.
- Assist people with disabilities if possible.
- Ensure all doors and windows are closed as a room and building are evacuated.
- Do not attempt to reenter the facility unless and until directed to do so by authorized personnel.
- Evacuated persons are directed to a safe distance and location from the building affected, away from fire hydrants, fire lanes, and not under power lines.

Emergency Evacuation for Bomb Threat or Other Non-Fire Situation

Definition

Non-fire emergency evacuation is used for any emergency evacuation not related to a fire incident. It is important to remember that evacuation distances significantly expand, up to hundreds of yards, for suspicious object evacuations. Nevertheless, not all bomb threats will necessarily result in evacuation, depending upon the individual event circumstances.

The objective: move all campus occupants to a remote, predefined and controlled location.

Staff members who are designated to sweep evacuation routes and sites should locate a staff member to take responsibility for students under their supervision and should then sweep the evacuation route and evacuation site for secondary hazards. They should immediately report their findings to the college administrator.

Note: The College Administrator or his/her designee will typically direct that this step be completed before making the general announcement for evacuation of the building.

Other staff:

1. Gather all students and visitors in your area of responsibility and evacuate using the route and site designated.
2. Ensure that all special needs persons are provided assistance.
3. Remain alert to your surroundings. Be particularly alert to any people or conditions that might pose a danger to evacuees. If you encounter a significant hazard, quickly evaluate the situation; adjust your evacuation route and attempt to notify the College Administrator, his/her designee, or the appropriate public safety officials.
4. Once you reach the designated evacuation site, search the site for suspicious objects and adjust accordingly.
5. On evacuation site - develop a written list of all evacuees and provide the list to the College Administrator, or his/her designee. Also indicate the presence or lack of any suspicious objects in your room/work area.
6. Supervise students under your care.

La' James International College Annual Campus Security Report & Clery Compliance- 2022

7. Do not attempt to reenter the facility unless the College Administrator or his/her designee directs you to do so.

Emergency Lockdown

Definition Emergency Lockdown is used to dramatically and rapidly enhance the level of security in the facility. By locking all exterior, interior and class doors, staff can make it more difficult for dangerous person(s) in the vicinity or in the facility to gain access to staff and students.

Note – locking doors should not eliminate immediate egress possibilities from the facility.

The objective: create as many physical layers of separation between you and the potential aggression.

Staff Response:

1. Make sure entrance points to the building near your location are locked immediately.
2. If you are located in an area with a door that can be locked, gather all students in the vicinity into the room and lock the door.
3. Improvise additional door blocking if possible.
4. Close blinds and cover additional windows, e.g., with a shirt, up-turned table, paper, etc.
5. Turn off lights in the room.
6. If possible, report your status to the College Administrator or designee by telephone or intercom.
7. Do not open the door for people claiming to be public safety personnel unless you have an opportunity to view photo identification or are instructed to do so by a staff member whom you recognize.

External Lockdown

Definition

External lockdown creates a physical layer of security between the internal and external dimensions of the campus. By locking all exterior doors and supervising these doors, staff can make it more difficult for a possible external intruder or a potentially dangerous person in the vicinity of the facility to gain access to staff and students. In addition to locked entrances and supervised entry and exit to campus facilities, this step may include barricades to campus property (e.g., barricades or chains restricting access to campus parking lots and grounds). This lockdown allows staff and students to continue with productive activities while maintaining access control to the facility.

Objective: create a physical layer of security between the external environment and internal campus operation while elevating the overall level of security.

Staff Response:

1. Make sure the designated entrance points to the building near your location are locked immediately.
2. If you are in an external classroom to the main building move students to alternative internal classrooms.
3. If possible, report your status to the College Administrator or designee by telephone or intercom.
4. Continue with normal activities as much as the situation allows.
5. If students or staff have a need to move about in the building, obtain permission first from the College Administrator or designee.
6. Be prepared to rapidly implement an emergency evacuation or emergency lockdown – if directed to do so or if circumstances indicate you should do so.

Shelter in Place

Definition

Sheltering in place procedures are traditionally utilized when:

1. A tornado has been spotted.
2. There has been a chemical or biological incident outside of, but in proximity to, a facility and available information indicates that there is no adequate time to evacuate building occupants to another safe location before the dangerous contaminants reach the facility.

Objective: seek immediate shelter away from doors and windows and remain there during an emergency

Staff Response:

1. All staff that is outdoors should quickly gather all students and adults in the area and instruct them to go inside the facility immediately. Once inside, if possible instruct everyone to move to an interior area without windows and doors.
2. Close all windows and doors.
3. In chemical spills / biological incident - if available, use tape to cover all windows and doors with sheets of plastic to help reduce airflow into the area. Wet towels can be used to reduce airflow under doors. Close all outside air vents. Turn off all heating or ventilation systems. Use damp towels or cloths to cover any openings in walls or doors. Tape can also be used to cover any cracks, crevices, electrical outlets, cable television connections or other openings that might allow air to flow into the shelter area.
4. Listen to local radio or television news for instructions from emergency management and public safety officials.
5. Review emergency evacuation protocols

Missing Student Policy and Procedures

Each student has the option to identify an individual to be contacted by LJIC officials or law enforcement personnel no later than 24 hours after the student is determined missing. If a student is under 18 years of age and not emancipated, federal law requires LJIC to notify a custodial parent or guardian no later than 24 hours after the student is determined missing, in addition to notifying any additional contact person designated by the student. Regardless of a student's age, LJIC will notify the appropriate law enforcement agency no later than 24 hours after the student is determined missing, unless the local law enforcement agency was the entity that made the determination that the student is missing. Any missing student report must be referred immediately to the local police department that has jurisdiction in the area.

If LJIC is notified of a potential missing student and determines that the student has been missing, LJIC will immediately initiate the emergency contact procedures notifying the contact person within 24 hours after the student is determined missing. Emergency contact information is designated on the LJIC enrollment application for each student and is kept confidential in their permanent file.

If a student believes that a person is missing, he/she should immediately notify the CSA - College Administrator, or other designated staff member and then to local law enforcement at the non-emergency number.

A DESCRIPTION OF DRUG AND ALCOHOL ABUSE PREVENTION PROGRAMS

La' James International College distributes to all current students and employees a copy of the Drug Free & Alcohol Policy. Below are the details related to this topic:

Drug and Alcohol Abuse Prevention

Drug abuse affects all aspects of American life. It threatens the workplace, our homes, our schools and our community. The U.S. Department of Education requires institutions of higher education to implement a drug prevention and awareness program for their students and employees through the **Safe and Drug-Free Schools and Communities Act**. All students are expected to conduct themselves as mature adults and as members of an academic community. The consumption of alcohol or drugs while attending class is prohibited and may be subject to disciplinary action.

Standards of Conduct

The college staff and students must adhere to a code of conduct that recognizes that the unlawful manufacture, sale, delivery, unauthorized possession or use of any illicit drug is prohibited on property owned or otherwise controlled by La' James International College. If an individual associated with the College is apprehended for violating any drug-or alcohol-related law when on College property, or participating in a College activity, the College will fully cooperate with all law enforcement agencies. Underage possession or consumption of alcoholic beverages is not permitted on property owned or controlled by the College and the state laws will be enforced. Intentionally or knowingly selling, or intentionally or knowingly furnishing alcoholic beverages to persons under the age of 21, or to persons obviously inebriated, is not permitted on property owned or controlled by the College.

Consumption of alcohol and/or drugs is a matter of concern to LJIC, because LJIC is committed to maintaining an academic and social environment conducive to the professional and personal development of students and to the safety and welfare of all students, staff and guests.

Prohibited Conduct and Possible State and Federal Sanctions. mandatory minimum sentences for persons convicted of distributing or manufacturing controlled substances on a college campus, except for offenses involving 5 grams or less of marijuana. 8. Any act or course of conduct that is a violation of federal law, the code of the state in which the student's campus is located or the code of the city where the student's campus is located also constitutes a violation of LJIC's policy.

More information regarding the federal penalties and sanctions for unlawful possession, use, sale and/or distribution of controlled substances can be found at:

<http://www.deadiversion.usdoj.gov/21cfr/21usc/index.html>.

As used in this policy, "controlled substance" means a drug, substance, or immediate precursor in Iowa Code ch. 124 schedules I through V (www.legis.state.ia.us/IACODE/), (<http://www.ilga.gov/legislation/ilcs/ilcs5.asp?ActID=1941&ChapterID=53>) and/or the Federal Controlled Substances Act, 21 U.S.C. § 812 (see <http://www.usdoj.gov/dea/pubs/csa/812.htm>). "Controlled substance" includes, but is not limited to: heroin, cocaine, marijuana, opiates and opioids (e.g., hydrocodone, Vicodin®, OxyContin®), amphetamines, LSD, MDMA (ecstasy), and steroids. "Controlled substance" under this policy includes simulated controlled substances, which means a substance that is not a controlled substance but that is expressly or impliedly represented to be a controlled substance.

The FAFSA form that is required to be completed to apply for federal financial assistance asks if the applicant has been convicted of a drug-related offense. If the applicant answers "yes" to this question, it may impact his/her qualification for federal financial assistance. If the applicant fails to answer the question, the applicant is automatically disqualified from receiving federal financial assistance. If the applicant answers the question falsely, the applicant may be subject to fines up to \$20,000, imprisonment or both.

If an enrolled student is convicted of a drug offense after receiving federal financial assistance, the student must notify LJIC's Financial Assistance staff immediately. The student is then subject to becoming ineligible for further financial assistance for the time periods set forth above and must immediately repay any federal financial assistance received after the conviction.

Federal Financial Aid Penalties for Drug Violations Federal guidelines focus strongly on illicit drug use and distribution. The Higher Education Opportunity Act states students convicted of an illicit drug violation can be denied federal financial aid for a specific period, in addition to other legal penalties. The Free Application for Federal Student Aid (FAFSA) asks students if they have been convicted of a drug-related offense: "Have you ever been convicted of possessing or selling illegal drugs?" If you answer "yes," the College will send a worksheet in the mail to determine if your conviction affects your eligibility for aid. Failure to answer the question automatically disqualifies

students from receiving federal financial aid. Answering this question falsely could result in fines up to \$20,000, imprisonment or both.

Penalties for Drug Convictions If the student was convicted of both possessing and selling drugs, and the periods of ineligibility are different; the student will be ineligible for the longer period.

Possession of Illegal Drugs

- For a first offense, a student loses eligibility for federal financial aid for one year from the date of conviction.
- For a second offense, a student loses eligibility for federal financial aid for two years from the date of conviction.
- For a third offense and subsequent offenses, a student has indefinite ineligibility for federal financial aid from the date of conviction.

Sale of Illegal Drugs

- For a first offense, a student loses eligibility for federal financial aid for two years from the date of conviction.
- For a second offense and subsequent offenses, a student has indefinite ineligibility from the date of conviction.

Some other potential federal penalties and sanctions applicable to drug-related offenses include:

How to Regain Federal Student Aid Eligibility

A student can regain eligibility for federal student assistance the day after the stated period of ineligibility ends. Eligibility is also regained if a conviction is reversed, set aside or removed from the student's record. If the student has more than one conviction, the nature and dates of the remaining convictions that were not reversed, set aside or removed from the record will determine when student again becomes eligible.

A student may also regain eligibility upon successful completion of a qualified drug rehabilitation program that must:

- (1) Have the student pass at least two unannounced drug tests; and
- (2) Receive or be qualified to receive funds directly or indirectly under a federal, state or local government program; be administered by a federal state or local government agency; be qualified to receive payment directly or indirectly from a federally or state-licensed insurance company; or be administered or recognized by a federally or state-licensed hospital, health clinic or medical doctor.

A student may also regain eligibility upon successful completion of two unannounced drug tests which are part of the approved rehabilitation program, even if the student does not complete the rest of the program.

The student is responsible for certifying that a rehabilitation program was successfully completed.

LJIC Sanctions. Students who violate LJIC's Drug and Alcohol Policy will be subject to sanctions up to and including termination from LJIC. LJIC will also refer any violations to the proper authorities. The discipline will be assessed on a case-by-case basis and dependent upon the seriousness of the situation. Readmission after any probation, suspension or termination from LJIC due to a Drug and Alcohol Policy violation will be considered on a case-by-case basis and may require the student to submit proof of completion of an appropriate rehabilitation program.

Drug and Alcohol Counseling Any student or employee that would need assistance for chemical dependency or rehabilitation should contact their College Administrator for assistance.

Health Risks; Drug and Alcohol Abuse Prevention & Treatment. As stated above, LJIC prohibits the unlawful possession, use, or distribution of illicit drugs and alcohol by students on its property or as any part of its program or activities. Students and employees who engage in prohibited or illegal conduct face sanctions, including suspension or expulsion and/or referral for prosecution. In addition, there are many health risks associated with the use of illicit drugs and alcohol, which vary with the nature of the substance and pattern of abuse. Risks may include, but are not limited to, depression, mood swings, dependency, organ damage, mental problems, hallucination, confusion, accidents and/or violent reactions.

LJIC encourages students who think they have a problem to utilize one or more of the following resources available to get help:

Distribution & Notification of LJIC DAAPP to Students and Employees

All LJIC staff and students are made aware and sign the LJIC Drug-Free Policy at their time of starting with LJIC. Students sign the LJIC Drug Free Policy as part of their financial assistance appointment and staff sign as part of their new employee paperwork.

To ensure the LJIC DAAPP disclosures are distributed to students and employees it is published on LJIC website – www.ljic.edu – Disclosures (bottom of home page) – Download Drug & Alcohol Abuse Education & Prevention Program and/or Download Clery Disclosure (DAAPP is also included the ASR).

It is also published on LJIC college Intranet from campus student lab computers. Student can click on links for Pre-Enrollment Documents, Drug Prevention Program or Clery Disclosures.

Student Notifications

Students will be informed at the time of the annual DAAPP and ASR program disclosure updates in a weekly Huddles and Rallies Class Session that is attended by all students.

There is also a post in the Student Computer Lab to make them aware of the update on the intranet by October 1 annually.

We also post a separate notice to the students in the student breakroom.

Staff Notifications

Staff will be informed at the time of the annual DAAP and ASR program disclosure updates at their weekly staff meeting.

There is also a post in the campus staff office and in corporate staff breakroom.

Biennial Review of the Drug and Alcohol Policy

LJIC will review this Drug and Alcohol Policy biennially. This review includes a determination of the number of drug and alcohol related violations and fatalities that occur on LJIC's campus or as part of LJIC's activities and the number of types of sanctions imposed by LJIC as a result of violations of this Policy. The term "campus" is defined in the same manner as it is defined for campus safety reporting required by the Clery Act, which is described in the Student Catalog. In general, the term "campus" includes any building or property owned or controlled by LJIC within a reasonably contiguous geographic area used in direct support of LJIC's educational purposes or used by students in support of LJIC's institutional purposes.

In the biennial review, LJIC will assess the effectiveness of this Policy. The effectiveness of the policy is measured by tracking the information described in the previous paragraph. In addition, LJIC will consider – if it is made aware of such information – the number of students or staff attending self-help or other counseling groups relating to alcohol or drug abuse.

The biennial review helps LJIC determine whether this Policy is effective or must be modified. LJIC maintains a copy of the biennial review, which is kept (along with any related documents) for three years after the fiscal year in which the report was created. The biennial review is only given to the United States Department of Education if requested.
