STATEMENT OF CURRENT POLICIES REGARDING PROCEDURES FOR STUDENTS AND OTHERS TO REPORT CRIMINAL ACTIONS AND POLICES CONCERNING THE INSTITUTION'S RESPONSE TO SUCH REPORTS

Students, faculty, or staff who wish to report criminal actions, should immediately contact the College Administrator (Campus Security Authority – (CSA)) or other responsible supervisory personnel at their campus. The criminal action should then be immediately reported to the local law enforcement authorities for assistance and /or investigation. In an emergency, dial 911. The La' James International College Incident Report Form is completed with the assistance of the person reporting the criminal action. The report should be filed as soon as possible with the College Administrator who will follow up on the report personally or assign responsibility to another appropriate designee to follow up and report on the outcome as well as any preventative or other actions taken to ensure the safety and security of all staff, faculty, and students.

A hardcopy of the La' James International College Incident Report Form may be requested from the College Administrator-CSA at each campus.

Efforts are made to inform members of the campus community on a timely basis about campus crime and crime-related issues. These efforts include the following:

- Crime Alerts – Crime Alerts are published when a crime occurs on or near campus that potentially threatens the campus community. The crime alerts are distributed in a variety of methods, depending upon the incident. (See Timely Campus Warnings below.)

How to Report Crimes on Campus

Students and employees are cautioned never to attempt to apprehend or pursue a suspected criminal. Crimes or suspected criminals should be reported to the CSA or other designated staff member and then to local law enforcement at the non-emergency number.

PREPARING THE ANNUAL DISCLOSURE

The College Administrator, serving as the campus security authority (CSA) for the school, has the responsibility of gathering the data for incidents reported and occurring on campus used to prepare the annual campus crime statistics report. Campus crime data is gathered the same day that it is reported. Additional data is obtained from reports made to local law enforcement. Crimes are counted in the disclosure based upon the crime having been reported, not whether there was a conviction. Annually the Compliance Administrator obtains data from local law enforcement to compare it with any data gathered at the college campus location. The resulting data is used to prepare the annual crime statistics report.

The Annual Security Report (ASR) is published by October 1 of each year to current students and employees. Access to the ASR is also provided to prospective students and employees, with a notice that a paper copy is available upon request. The report is available on the LJIC website, on the Consumer Information page and also on the LJIC student intranet for student access. Notification to current students and staff is posted and announced each year when the updated annual report is published.

REPORTABLE OFFENSES UNDER THE CLERY ACT

The Clery Act requires reporting on the following offenses:

- murder/ non-negligent manslaughter
- manslaughter by Negligence
- rape
- fondling
- incest
- Statutory rape
- robbery
- aggravated assault
- burglary
- motor vehicle theft
- arson
- arrests, or persons referred for campus disciplinary action for liquor law violations;
- arrests, or persons referred for campus disciplinary action for drug-related violations;
- domestic violence**
- dating violence**
- stalking**
- arrests, or persons referred for campus disciplinary action for weapons possession; and
- hate crimes, [which for Clery Act purposes include any crime listed in the preceding points and, as of 2008, larceny-theft; simple assault; intimidation; and destruction, damage, or vandalism of property in which the victim is intentionally selected because of his or her actual or perceived race, gender, religion, sexual orientation, ethnicity, or disability.]

**On March 7, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA). Among other provisions, this law amended the Clery Act to require postsecondary institutions to include in their Annual Campus Security Report all instances of domestic violence, dating violence and stalking; and instances of gender identity and national origin crimes which fall under the category of Hate Crimes. These new reportable items must be included in the ASR released by October 1, 2014, using a good faith effort to comply with the law until the final regulations are published with an effective date of July 1, 2015 for the October 1, 2015 ASR reporting deadline.

GEOGRAPHICAL AREA

The Clery Act requires each institution to disclose crime statistics that occur on three types of property: campus, non-campus buildings or property, and public property areas.

“Campus” is defined as (i) Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to the institution’s educational purposes, including residence halls; and (ii) and building or property that is within or reasonably contiguous to the area identified in paragraph (i) of this definition, that is owned by the institution but controlled by another person, is frequently used by students and supports institutional purposes (such as a food or other retail vendor).

The Department does not apply any specific or measurable distance definition to “reasonably contiguous geographic area.” Many institutions employ an approach that any property included on a campus map or designated by signage as a campus facility is considered to be included in the definition of “reasonably contiguous geographic area”. If an additional location, branch campus, school within the institution, or administrative location is not within a reasonably contiguous area, such location would be considered a separate campus for reporting purposes.

“Public property” is defined in statute as “all property that is within the same reasonably contiguous geographic areas of the institution, such as a sidewalk, street or other thoroughfare, or parking

La' James International College Annual Campus Security Report & Clery Compliance- 2023

facility. And is adjacent to a facility owned or controlled by the institution if the facility is used by the institution in direct support of, or in a manner related to the institution's educational purposes. that is adjacent to a facility owned or controlled by the institution for purposes related to the institution's educational purposes. In order for this definition to apply, the property in question must satisfy all three conditions: 1) public (e.g., publicly owned); 2) within or immediately adjacent to campus; and 3) accessible from campus. The Department applies no specific measurable distance definition into adjacent public property. Crimes occurring on "public property" must also be reported in the crime statistics.

A "non-campus building or property" is (i) any building or property that is owned or controlled by a student organization officially recognized by the institution; or (ii) any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution. Crimes occurring on "non-campus property" must be reported. However, incidents occurring on public property adjacent to "non-campus buildings or property" do not have to be included. Our institution does not have such property in this category for which we must report.

TIMELY CAMPUS WARNINGS or ALERTS

A timely warning to the LJIC campus community is distributed regarding any of the above listed crimes (see Reportable Offenses under the Clery Act) which are deemed to represent a threat to the students and employees, and which are reported to campus officials or to local police agencies. The campus crime alert is issued in a manner that is timely and will aid in the prevention of similar crimes. The manner of dissemination to alert the campus community may include one or more of the following methods: e-mail, phone contact, and text messages. In addition, the College Administrator or designee will post relevant warnings, updates, and advisories on the appropriate college website, (www.ljic.edu) campus bulletin boards, and social media web page. College Administrators or designee may decide to issue an alert about a crime occurring off-campus but in a location frequented by students, even though such a crime would not be included in the annual report. LJIC campuses are located in small communities, and we have maintained good communication with police and fire departments to ensure the safety of our students and staff.

La' James International Colleges are essentially non-residential schools that do not employ campus police force, and do not have any agreements in place with the state and local law enforcement agencies. Therefore, all crimes are reported to the CSA. All crimes should be reported immediately to enhance the opportunity for a quick resolution.

The La' James International College Incident Report Form will be used by the CSA or Compliance Administrator to assist in the description and recording of an incident of crime or emergency.

Voluntary confidential reporting: As La' James International College is essentially a non-residential school and does not employ campus police force all crimes must be reported to local authorities. Local law enforcement will allow a victim or witness to report crime on a voluntary and confidential basis. All victims are encouraged to report all crimes to the appropriate campus CSA- College Administrator and local law enforcement. In the event the victim is unable to make such a report, the CSA- College Administrator or third-party witness is encouraged to report the crime promptly.

Crime is serious with no easy solutions. Therefore, all members of the school campus community are encouraged to assist one another by taking responsibility for personal safety and assisting with the security needs of others. While school staff may offer assistance regarding safety and security concerns, ultimately the primary responsibility for your personal safety rests with each individual when on and off campus.

Safety Tips- on and off campus-

- Stay alert of surroundings, wherever you are.
- If you feel uncomfortable in a place, leave right away.
- Keep eyes and ears open, hands free.
- Choose busy streets and avoid going through deserted areas.
- At night, walk in well-lit areas whenever possible.
- Try not to walk or jog alone. Take a friend or walk in groups.
- Avoid carrying large sums of cash.
- When in public spaces, keep valuable items including jewelry, mobile phones and wallets out of sight.
- Carry pepper or mace spray as a precautionary measure.
- When dark, walk in groups to and from the college
- Communicate suspicious behavior immediately to the College Administrator or a staff member.

A STATEMENT OF PROGRAMS AND INFORMATION AVAILABLE TO STUDENTS AND EMPLOYEE SECURITY, PERSONAL SAFETY AND CRIME PREVENTION

LJIC provides information to its students regarding personal safety and crime prevention. LJIC has a directory of services available within the community to assist students who have witnessed or suffered from a criminal act. These services are usually free and are provided by community resources. This directory of services can be obtained from the College Administrator and is posted in the college campus. The college also makes available postings with hotline services that address Domestic Violence, Dating Violence, and Stalking.

A STATEMENT ADVISING OF AVAILABILITY OF INFORMATION ON REGISTERED SEX OFFENDERS

The Federal Campus Sex Crimes Prevention Act that became effective October 27, 2002, requires eligible institutions participating in the Title IV Federal Student Aid programs to issue a statement advising the campus community where the state law enforcement agency information concerning registered sex offenders/predators may be obtained. Sex offenders are required to be registered according to the state law in the state in which they reside and are also required to notify appropriate state officials of each postsecondary school at which the offender is employed or is a student. Any such offender is also required to give notice to the appropriate state authorities of any changes in enrollment or employment status at the postsecondary school.

Pursuant to the Campus Sex Crimes Prevention Act, LJIC provides the following information regarding where information on registered sex offenders can be obtained:

In the State of **Iowa** information concerning registered sex offenders and predators may be obtained from:

TITLE IX POLICY STATEMENT- (VAWA- Violence Against Women Act)

Non- Discrimination Policy

Title IX of the Education Amendments of 1972 ("Title IX") prohibits sex discrimination in education programs that receive federal funding.

Sexual harassment, including sexual assault, is a type of sex discrimination that is banned by Title IX. Title IX states:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

The purpose of this policy is to ensure that the Institution's policies are applied and interpreted in ways consistent with Title IX and other applicable law. Institutions that receive federal assistance from the Department of Education must operate in a nondiscriminatory manner.

La' James International College recognizes the inherent dignity of all people and is committed to providing an educational and work environment that is free from sexual misconduct and harassment in any form including, but not limited to, sex or gender discrimination, including sexual misconduct such as sexual harassment and sexual assault, stalking, and domestic and dating violence. These behaviors are harmful to the well-being of our community members, the learning/working environment, and relationships among our students, faculty, and staff. All forms of prohibited conduct under this policy are regarded as serious offenses, and violations will result in discipline, including the possibility of termination from school/employment.

The Title IX Coordinator is responsible for implementing the Institute's Title IX policy, receiving and coordinating investigation information and providing supportive measures along with maintaining accurate Clery Act crime statistics.

Any person can report sex discrimination, including sexual harassment (whether or not the person reporting is the alleged victim) in person, by mail, telephone, or e-mail, using the contact information listed above for the Title IX Coordinator. A report can be made at any time, including during non- business hours. However, responses to reports made outside of business hours, including during weekends and holidays, may be delayed.

Key Definitions:

Sexual Harassment: Conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the recipient conditioning the provision of an aid, benefit, or service of the recipient on an individual's participation in unwelcome sexual conduct: (i.e. quid pro quo);

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient's education program or activity; or
3. "Sexual Assault", "Dating Violence", "Domestic Violence" or "Stalking" as defined in the Violence Against Women Act (VAWA) collectively referred to as sexual misconduct.

Equal Access to Program or Activity-

- a) Does not require showing that a complainant dropped out of school, failed a class, had a panic attack, or otherwise reached a "breaking point" in order to report and receive a recipient's supportive response to sexual harassment.
- b) Evaluating whether a reasonable person in the complainant's position would deem the alleged harassment to deny a person "equal access" to education protects complainants against school officials inappropriately judging how a complainant has reacted to the sexual harassment.
- c) Final regulations do not require complete exclusion from an education, but rather denial of "equal" access.

Signs of enduring unequal education access due to severe, pervasive, and objectively offensive sexual harassment may include:

- Skipping class to avoid a harasser,
- A decline in a student's grade point average, or
- Having difficulty concentrating in class;

No concrete injury is required to conclude that serious harassment would deprive a reasonable person in the complainant's position of the ability to access the recipient's education program or activity on an equal basis with persons who are not suffering such harassment.

- **Sexual Assault:** As defined in 34 U.S.C. 12291(a)(35; 34 CFR 668.46) means Any nonconsensual sexual act proscribed by federal, tribal or state law, including when the victim lacks capacity to consent.

Rape- The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, **without the consent of the victim.**

Sex Offenses- any sexual act directed against another person, **without the consent of the victim**, including instances where the victim is incapable of giving consent.

- A. **Fondling-** the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.
- B. **Incest-** Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- C. **Statutory Rape-** Sexual intercourse with a person who is under the statutory age of consent.

Consent- *In both VAWA & Title IX final regulations, the Department of Education considered and chose not to define consent.*

I.C.A § 709.1- 1A

Consent is not specifically defined in Iowa Law, however Iowa Law defines "sexual abuse" as any sex act between persons where: 1) the sexual act is Done by force or against the will of the other (if the consent or acquiescence of the victim is procured by threats of violence toward any person or if the act is

under the influence of a drug inducing sleep or is otherwise is a state of unconsciousness, the act is done against the will of the other); or 2) the victim is suffering from a mental defect or incapacity which precludes giving consent, or lacks the mental capacity to know the right and wrong of conduct in sexual matters.

At a minimum LJIC recognizes that:

- i. Consent is a voluntary agreement to engage in sexual activity;
- ii. Someone who is incapacitated cannot consent;
- iii. Past consent does not imply future consent;
- Silence or an absence of resistance does not imply consent;
- Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another;
- Consent can be withdrawn at any time; and
- Coercion, force, or threat, or invalidates consent.

Affirmative Consent- is defined as an affirmative, conscious, and voluntary Agreement to engage in sexual activity.

- Neither the lack of protest or resistance nor silence constitutes consent, and consent may be withdrawn at any time.
 - Often referred to as "Yes Means Yes"
- **Dating Violence:** As defined in 34 U.S.C. 12291(a)(11), means violence committed by a person
 - A. who is or has been in a social relationship of a romantic or intimate nature with the victim; and
 - B. where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - i. the length of the relationship
 - ii. the type of relationship
 - iii. the frequency of interaction between the persons involved in the relationship.
 - **Domestic Violence:** As defined in 34 U.S.C. 12291(a)(12), includes felony or misdemeanor crimes committed by a current or former spouse or intimate partner of the victim under the family or domestic violence laws of the jurisdiction receiving grant funding and, in the case of victim services, includes the use or attempted use of physical abuse or sexual abuse, or a pattern of any other coercive behavior committed, enabled, or solicited to gain or maintain power and control over a victim, including verbal, psychological, economic, or technological abuse that may or may not constitute criminal behavior, by a person who---
 - A. is a current or former spouse or intimate partner of the victim, or person similarly situated to a spouse of the victim;
 - B. is cohabitating, or has cohabitated, with the victim as a spouse or intimate partner;
 - C. shares a child in common with the victim; or
 - D. commits acts against a youth or adult victim who is protected from those acts under the family or domestic violence laws of the jurisdiction.
 - **Stalking:** As defined in 34 U.S.C. § 12291(a)(36), 34 CFR 668.46 means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
 - A. fear for his or her safety or the safety of others; or
 - B. suffer substantial emotional distress.

Course of Conduct- means two or more acts, including but not limited to, acts

La' James International College Annual Campus Security Report & Clery Compliance- 2023

in which the stalking directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveils, threatens, or communicates to or about a person or interferes with a person's property.

Reasonable person- means a reasonable person under similar circumstances and with similar identities to the victim.

Substantial Emotional Distress- means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

34 CFR 668.46 (c) (6) Recording reports of stalking that include activities in more than one calendar year are recorded as a crime statistic for each and every year in which the course of conduct is reported to a local police agency or to a CSA.

* Please note: In accordance with the Violence Against Women Reauthorization Act of 2013 ("VAWA"), state definitions for Sexual Assault, Dating Violence, Domestic Violence, Stalking and Consent are contained later in this policy and in the Institute's Annual Safety and Security Report ("ASR"). VAWA crimes are reported in the ASR based on the definitions above.

Gender-Based Harassment: Gender-based harassment is verbal, nonverbal, graphic, or physical aggression, intimidation, or hostile conduct based on sex, sex-stereotyping, sexual orientation, or gender identity, but not involving conduct of a sexual nature, when such conduct is sufficiently severe, persistent, or pervasive that it interferes with or limits a person's ability to participate in or benefit from the College's education work programs or activities. For example, persistent disparagement of a person based on a perceived lack of stereotypical masculinity or femininity or exclusion from an activity based on sexual orientation or gender identity also may violate this policy.

Complainant: An individual who is alleged to be the victim of conduct that could constitute Sexual Harassment, regardless of whether a Formal Complaint has been filed. A Complainant must be the alleged victim unless a parent or legal guardian has a legal right to act on the alleged victim's behalf.

Respondent: An individual who has been reported to be the perpetrator of conduct that could constitute Sexual Harassment.

Parties: include the Complainant(s) and Respondents(s) collectively.

Advisor: An individual chosen by a party to accompany the party to meetings related to the resolution process, to advise the party on that process and to conduct cross-examination for the party at any hearing, if any. If a party does not have an Advisor at the hearing portion of the Grievance Process, the Institute will appoint an advisor.

Formal Complaint: A document (hardcopy or electronic) filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting that the Institute investigate. A Formal Complaint must be signed (physical or digital) by the Complainant, the Title IX Coordinator, or otherwise indicate that the Complainant is the person filing the Formal Complaint. At the time of filing a Formal Complaint, the Complainant must be participating in or attempting to participate in the Institute's education Program or Activity with which the Formal Complaint is filed.

Program or Activity: On or off campus locations, events, or circumstances over which the College exercises substantial control over both the Respondent and the context in which the Sexual Harassment occurred.

Procedure for Reporting

Any person may report sex discrimination, including sexual harassment, in person, by mail, by telephone, or by email, using the contact information for the Title IX Coordinator.

Victims of sexual assault, domestic violence, or dating violence should consider seeking medical attention as soon as possible.

- It is important that the victim of sexual assault not bathe, douche, smoke, change clothing, or clean the bed/linen where they were assaulted so that evidence necessary to prove criminal activity may be preserved.
- In circumstances where the victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address health concerns.
- Victims of sexual misconduct are encouraged to also preserve evidence by saving text messages, social networking pages, other communications, and keeping pictures, logs, or other copies of documents, if they have any, that would be useful in connection with a college or police investigation.

If you believe that you have experienced or witnessed Sexual Harassment, discrimination, or retaliation, LJIC encourages you to notify your College Administrator (Title IX Investigator) or the Title IX Coordinator as soon as possible after the incident. A report may be made to either or both the police and the Title IX Coordinator. The criminal process is separate from the college's Title IX Grievance Process.

LJIC will act in a meaningful way to support survivors of sexual misconduct, without sacrificing important safeguards to ensure a fair and transparent process.

The Title IX Coordinator will promptly contact the complainant to:

La' James International College Annual Campus Security Report & Clery Compliance- 2023

- Discuss the availability of supportive measures.
- Consider the complainant's wishes with respect to supportive measures.
- Inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and
- Explain to the complainant the process for filing a formal complaint.

In order to make informed choices, it is important to be aware of confidentiality and reporting requirements when consulting college resources.

College Administrators have been designated by LJIC as Title IX Investigators who may gather facts, interview parties or witnesses, share knowledge, notice, and/or reports of Sexual Harassment, discrimination and/or retaliation with the Title IX Coordinator and assist with further investigation.

An individual who seeks completely confidential assistance may do so by speaking with professionals who have legally protected confidentiality. The college does not have confidential reporting resources, such as pastoral or professional counselors on campus. Crisis, mental health, and victim resource hotline information is available from the College Administrators and also posted in the college.

LJIC will keep confidential the identity of the complainant, respondent, and witnesses, except as may be permitted by FERPA, as required by law, or as necessary to carry out the Title IX Investigative and Grievance Process.

There is no time limit on providing notice/complaints to the Title IX Investigator or Title IX Coordinator. However, if significant time has passed, the ability to investigate, respond, and provide remedies may be more limited or impossible.

Notice of Allegations upon receipt of formal complaint.

- A. Notice of LJIC's grievance process.
- B. Notice of the allegation of sexual harassment, including:
 1. Sufficient details with sufficient time to prepare a response before any initial interview.
 2. A statement that the respondent is presumed not responsible and that a determination regarding responsibility is made at the conclusion of the grievance process.
 3. Notice will inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence.
 4. Notice will inform the parties of any provision in LJIC's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

Dismissal of a Formal Complaint

LJIC **must** dismiss a formal complaint if:

- the conduct alleged in the formal complaint would not constitute sexual harassment under Title IX even if proved,
- did not occur in LJIC's education program or activity, or
- did not occur against a person in the United States, then LJIC must dismiss the formal complaint:
- such a dismissal does not preclude action under another provision of LJIC's code of conduct.

La' James International College Annual Campus Security Report & Clery Compliance- 2023

LJIC **may** dismiss the formal complaint if:

- a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint.
- the respondent is no longer enrolled or employed by LJIC; or
- specific circumstances prevent LJIC from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

If the Title IX coordinator receives multiple informal complaints of harassment against a single (same) respondent, they will not be required to begin a formal complaint process.

If a Formal Complaint is dismissed, the Parties will be provided written notice of the dismissal outlining the explanation for dismissal.

Grievance Process

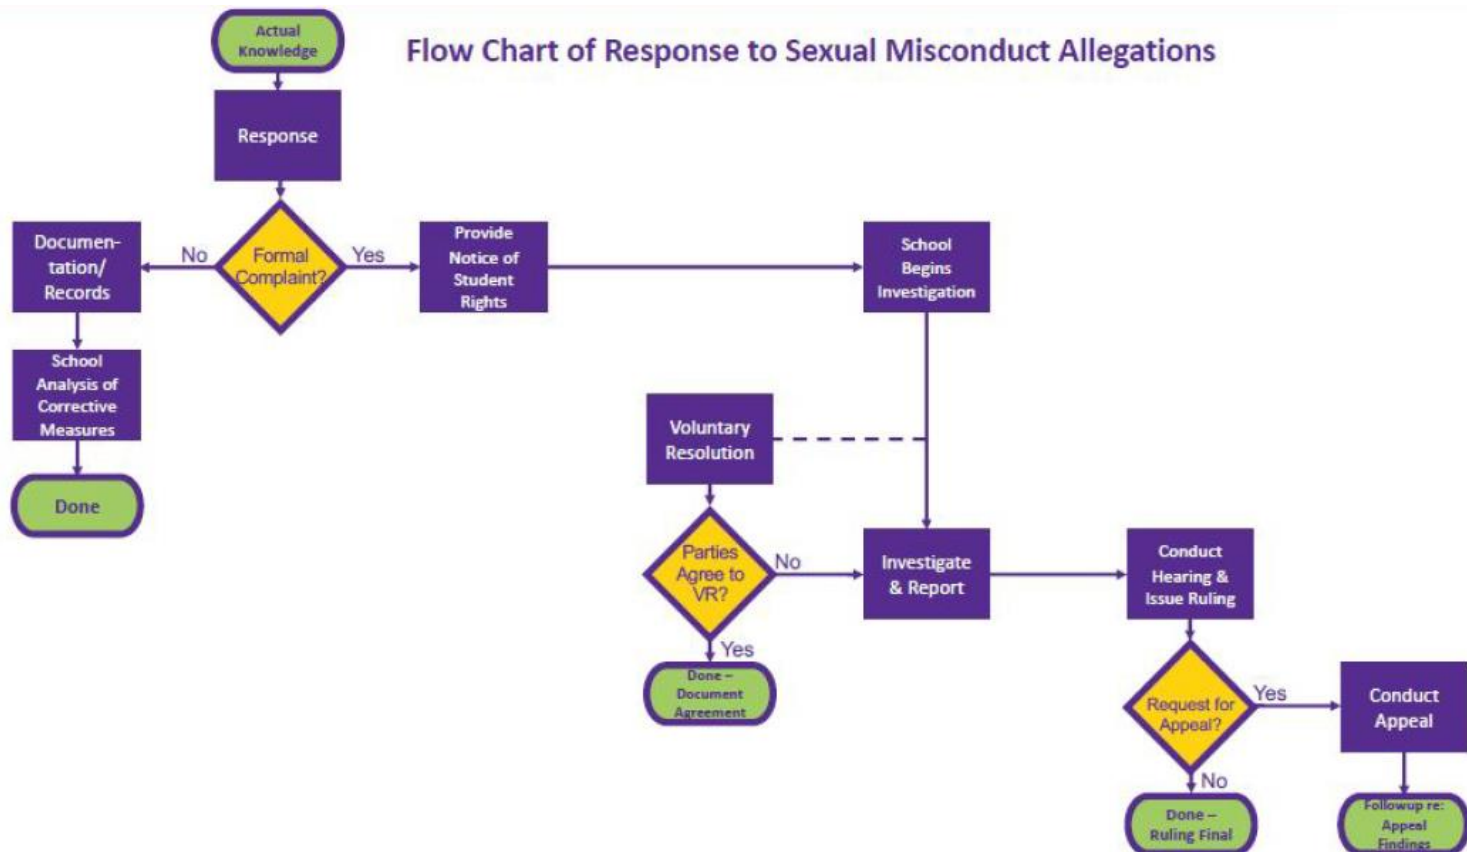

Generally, the Grievance Process consists of a Formal Complaint, Investigation, Hearing, Ruling, and Appeal (if applicable). The Grievance Process, without extenuating circumstances, will likely conclude within 90 days from the date the Formal Complaint is filed. In exceptional circumstances, (including but not limited to especially complex cases or when the college is not in session), it may be necessary to extend the conclusion timeline. If that occurs, both parties will be informed of the extended time for conclusion.

LJIC utilizes a prompt, equitable and impartial Grievance Process to evaluate Formal Complaints. Title IX personnel (Title IX Coordinator, Investigators, Decision-Makers) will be free from conflicts of interest or bias for or against Complainants or Respondents.

The college will make every effort to handle complaints and investigations with sensitivity to both the rights of the person who complains and the rights of the accused.

La' James International College Annual Campus Security Report & Clery Compliance- 2023

The college will conduct an investigation of Sexual Harassment allegations by a Formal Complaint filed by a Complainant, as appropriate under circumstances. Respect will be made to the Complainant's wishes as to whether the college investigates an allegation of Sexual Harassment unless the Title IX Coordinator determines that not investigating would be deliberately indifferent or harmful to the college campus community.

The investigative process involves interviewing the parties involved and any witnesses while gathering documentary or other evidence. In cases involving alleged criminal conduct, the complainant may file a criminal complaint with the local police department.

Based on the outcome of the investigation, the Title IX Coordinator will determine if there is sufficient cause to proceed with the complaint. If so, the Title IX Coordinator will arrange for a possible voluntary resolution that both parties agree to. If parties do not agree to a voluntary resolution, the investigation and report will be prepared for a hearing either live or virtually that will be recorded. The investigative report will fairly summarize relevant evidence and, at least 10 days prior to a hearing or other time of determination regarding responsibility, sent to each party and the party's advisor, if any, the investigative report, for their review and written response. Both parties may have an advisor present at the hearing. Cross-examination of the complaining and responding parties as well as any witnesses, may take place during the hearing. Cross examination will be conducted by advisors of parties, including legal counsel, but not by the parties themselves. If a party does not have an advisor present at the hearing, LJIC will provide an advisor with the party's agreement of choice. Prior to answering cross-examination questions, the decision maker will first determine if a question is relevant and if not, reason for exclusion.

The exact nature of the responsive action depends on the circumstances and may include discipline up to and including suspension or dismissal from the Institution for a student, staff or faculty who is found to have violated college policies.

La' James International College handles complaints discreetly and attempts to maintain privacy throughout the investigative process, to the extent practicable and appropriate under the circumstances. However, in order to conduct an investigation, it is generally necessary to discuss the allegations with the accused and other potential witnesses. Additionally, the institution may have legal obligations to disclose information to law enforcement or in the context of legal proceedings.

Complaints may be made anonymously. While the college endeavors to investigate all complaints, including anonymous complaints, the nature of anonymous complaints makes investigation, determination, and remediation more difficult and, at times, impossible. Further, while the Institution attempts to protect the identity of complainants who do not wish to be identified, this may not always be possible.

In appropriate cases as determined by the college, conflict resolution may be possible. This is permitted only where both the complainant and accused voluntarily agree to participate, and either party may terminate informal resolution attempts and commence formal grievance procedures at any time prior to reaching a mutually acceptable resolution. Depending on the circumstances, a mediated resolution may not necessarily involve face-to-face discussions between the complainant and the accused. Certain cases are not appropriate for conflict resolution, such as complaints of particularly egregious sexual harassment or cases involving sexual assault or violence.

Occasionally, an individual makes a complaint and later wishes to revoke or discontinue the investigation or grievance process. Similarly, it may occur that someone other than the victim reports an incident, and the victim declines to participate in the investigation or adjudication process. In other instances, complaints may be received anonymously and/or

the victim may not wish to be personally identified. The Institution endeavors to respect the wishes of a victim to either not be identified and/or not participate in the process. In these situations, the college attempts to investigate and address complaints in accordance with the victim's wishes.

For all Formal Complaints of Sexual Harassment (including where employees are Respondents), LJIC utilizes the preponderance of the evidence standard, meaning the Institute will evaluate whether it is "more likely than not" that the alleged conduct occurred.

Disciplinary Actions and Remedies

Disciplinary Actions against Respondents may or may not be imposed before completion of the LJIC's Grievance Process. Following a determination of responsibility, appropriate corrective action will be taken, and the Institute will take steps to prevent recurrence. Disciplinary Actions taken will be determined on a case-by-case basis. Factors considered when determining Disciplinary Action may include but are not limited to: Nature, severity of, and circumstances surrounding the violation(s); Respondent's disciplinary history; Previous allegations or allegations involving similar conduct; Need for disciplinary action to bring an end/prevent future reoccurrence of the violation; Need for disciplinary action to remedy the effects on the Complainant and LJIC and the safety for all; Impact on the parties; Any other information deemed relevant by the Decision-Maker.

Disciplinary Action for student-related claims may include, but are not limited to, additional training, a restriction on contact, warning, suspension, or termination. Failure to abide by imposed Disciplinary Actions (whether by refusal, neglect, or any other reason), may result in additional Disciplinary Action, including suspension or termination. Employees are also subject to processes and discipline determined by the Human Resources Department for acts of Sexual Harassment. The HR process is separate and apart from the Title IX process and not constrained by the outcome of the Title IX process. Individuals who make a materially and intentional false statements during a Title IX Grievance Process will be subject to disciplinary action.

The Decision-Maker will issue a written determination of the regarding responsibility to both parties. The written determination will include-

- Identification of the allegations potentially constituting sexual harassment;
- A description of the procedural steps taken from the receipt of the formal complaint through the determination;
- Findings of fact supporting the determination;
- Conclusions regarding the application of the recipient's code of conduct to the facts;
- A statement of, and rationale for, the result as to each allegation; and
- The recipient's procedures and permissible bases for the complaint and respondent to appeal.

Both Parties have the right to appeal a determination. An appeal must be submitted in writing to the Title IX Coordinator within 10 days of the delivery of the Written Determination.

Supportive Measures

Non-disciplinary, non-punitive individualized services may be offered as appropriate and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the recipient's educational environment, or deter sexual harassment.

La' James International College Annual Campus Security Report & Clery Compliance- 2023

- extensions of deadlines or other course-related adjustments
- mutual restrictions on contact between the parties
- leave of absence
- increased security and monitoring of certain areas of the campus.

The recipient must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

Retaliation Prohibited

The college prohibits retaliation against any individual who in good faith makes a complaint of sex discrimination, sexual harassment, or sexual misconduct or participates as a witness in a proceeding under this or any other college policy. No recipient or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in a Title IX investigation, proceeding, or hearing. If anyone feels they have been retaliated against, they should notify the Title IX Coordinator.

Sexual Assault Prevention

Campus Sexual Violence Elimination Act of 2013 (SaVE Act) requires schools to educate students and staff on the prevention of rape, acquaintance rape, domestic violence, dating violence, sexual assault, and stalking. As part of La' James International College's compliance with the SaVE Act requirements for prevention and awareness programs that address the specified areas above, the institution has contact resource information available for students. These resources are posted in the student lab and/or breakroom and students can also reach out to the College Administrator for additional resources. These services are from nationally recognized organizations and include awareness and preventive information and may include help hotlines related to these specific topics.

La' James International College attempts to protect members of its campus community, including visitors, from sexual assaults. LJIC strongly encourages the following actions to prevent or protect against sexual assault:

Students are encouraged to use a "Buddy System" when walking to parked cars at night and to leave the campus in a group when classes are dismissed.

As part of the effort to provide an environment conducive to the school's mission, the following services relating to sexual assault are provided at La' James International College. The college hosts organizational speakers to enhance awareness of sexual assault and the condition that fosters this offense on school campuses. The school undertakes efforts to safeguard the rights and interest of the survivor and pursues sanctions against the perpetrator(s) of sexual assault. A college official will, upon request:

- arrange transportation to a hospital for treatment and evidence collection;
- provide notification to an off-campus support and counseling service;
- provide assistance in contacting the appropriate law enforcement agency as applicable.

La' James International College does not tolerate sexual assault of any form against any gender, whether committed by a stranger or by an acquaintance. The college attempts to protect members of the college community, including visitors, from sexual assaults and offers any student, faculty or staff member who survives a sexual assault that occurs within

the context of the college community, the support necessary to enable them to continue to pursue their academic or career goals.

Iowa Codes

Any report of suspected child physical or sexual abuse should be made as soon as possible, but within 48 hours, to the above designated school officials, who in turn shall immediately make a report to the law enforcement. Nothing in the policy shall prohibit an employee from reporting suspected child abuse in good faith to law enforcement.

Additional Definitions- Iowa Codes

Consent is defined as "intelligent, knowing, and voluntary consent and does not include coerced submission. Consent shall not be deemed or construed to mean the failure by the alleged victim to offer physical resistance to the offender."

The **Iowa** Age of Consent is 16 years old. In the United States, the [age of consent](#) is the minimum age at which an individual is considered legally old enough to consent to participation in sexual activity. Individuals aged 15 or younger in Iowa are not legally able to consent to sexual activity, and such activity may result in prosecution for [statutory rape](#).

Iowa statutory rape law is violated when a person has consensual sexual intercourse with an individual under age 16. A close in age exemption allows teens aged 14 and 15 to consent to partners less than 4 years older. Regardless of age, it is also illegal for a school employee to engage in sexual intercourse with a current student or even a student who attended school within 30 days of such a violation.

5. A person shall not be convicted of a violation of this section unless the person commits an overt act evidencing a purpose to entice.
6. For purposes of determining jurisdiction under section 803.1, an offense is considered committed in this state if the communication to entice or attempt to entice a person believed to be a minor who is present in this state originates from another state, or the communication to entice or attempt to entice a person believed to be a minor is sent from this state.

<https://www.legis.iowa.gov/docs/ico/chapter/708.pdf>

Domestic Violence- abuse assault as an assaultive offense committed *against a family or household member*

In **Iowa**, domestic abuse offenses are considered serious crimes. As such, if you're convicted, the court can impose a mandatory minimum sentence. The length of the mandatory minimum depends on whether or not you have been convicted of any prior offenses.

The following meet Iowa's definition of assault:

- Engaging in conduct that's intended to cause pain or injury to another person
- An act meant to put an individual in reasonable fear of imminent physical harm
- Pointing a gun or displaying a dangerous weapon at someone else

An assaultive offense becomes **domestic abuse** when it's committed against a:

- Spouse
- Former spouse

- b. The person has knowledge or should have knowledge that a reasonable person would feel terrorized, frightened, intimidated, or threatened or fear that the person intends to cause bodily injury to, or the death of, that specific person or a member of the specific person's immediate family by the course of conduct.

4. Violations of this section and accompanying offenses shall be considered prior offenses for the purpose of determining whether an offense is a second or subsequent offense. A conviction for, deferred judgment for, or plea of guilty to a violation of this section or an accompanying offense which occurred at any time prior to the date of the violation charged shall be considered in determining that the violation charged is a second or subsequent offense. Deferred judgments pursuant to section 907.3 for violations of this section or accompanying offenses and convictions or the equivalent of deferred judgments for violations in any other states under statutes substantially corresponding to this section or accompanying offenses shall be counted as previous offenses. The courts shall judicially notice the statutes of other states which define offenses substantially equivalent to the offenses defined in this section and its accompanying offenses and can therefore be considered corresponding statutes. Each previous violation of this section or an accompanying offense on which conviction or deferral of judgment was entered prior to the date of the violation charged shall be considered and counted as a separate previous offense. In addition, however, accompanying offenses committed as part of the course of conduct engaged in while committing the violation of stalking charged shall be considered prior offenses for the purpose of that violation, even though the accompanying offenses occurred at approximately the same time. An offense shall be considered a second or subsequent offense regardless of whether it was committed upon the same person who was the victim of any other previous offense.

5. Notwithstanding section 804.1, rule of criminal procedure 2.7, Iowa court rules, or any other provision of law to the contrary, upon the filing of a complaint and a finding of probable cause to believe an offense has been committed in violation of this section, or after the filing of an indictment or information alleging a violation of this section, the court shall issue an arrest warrant, rather than a citation or summons. A peace officer shall not issue a citation in lieu of arrest for a violation of this section. Notwithstanding section 804.21 or any other provision of law to the contrary, a person arrested for stalking shall be immediately taken into custody and shall not be released pursuant to pretrial release guidelines, a bond schedule, or any similar device, until after the initial appearance before a magistrate. In establishing the conditions of release, the magistrate may consider the defendant's prior criminal history, in addition to the other factors provided in section 811.2.

6. For purposes of determining whether or not the person should register as a sex offender pursuant to the provisions of chapter 692A, the fact finder shall make a determination as provided in section 692A.126.

"Credible threat" means a verbal or nonverbal threat, or a combination of the two, including threats delivered by electronic communication or implied by a pattern of conduct, which places the person who is the target of the threat in reasonable fear for his or her safety, or the safety of his or her family members or individuals closely associated with the person, and which is made with the apparent ability to carry out the threat to cause such harm. It is not necessary to prove that the person making the threat had the intent to actually carry out the threat. The present incarceration of the person making the threat is not a bar to prosecution under this section.

“**Cyber stalk**” means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose. Apply for financial assistance from the [Crime Victim Compensation Program](#).

A victim's name and identifying information will be withheld from the public and press in accordance with the Public Records Law. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence as may be necessary to the proof of criminal activity may be preserved. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease.

Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to the Institution's hearing boards/investigators or police. Although the institution strongly encourages all members of its community to report violations to law enforcement, it is the victim's choice whether or not to make such a report, and victims have the right to decline involvement with the police.

The purpose and authority of the institution staff is limited to the enforcement of campus rules and regulations and Campus Security and Safety. Incidents that go beyond this scope are referred to and investigated by the Local Police Department.

A victim of domestic violence, dating violence, sexual assault or stalking has the following rights:

1. A law enforcement officer who investigates an alleged sexual battery shall:
 - (a) Assist the victim in obtaining medical treatment, if medical treatment is necessary as a result of the alleged incident, a forensic examination, and advocacy and crisis-intervention services from a certified rape crisis center and provide or arrange for transportation to the appropriate facility.
 - (b) Advise the victim that he or she may contact a certified rape crisis center from which the victim may receive services.
 - (c) Prior to submitting a final report, permit the victim to review the final report and provide a statement as to the accuracy of the final report.
2. The law enforcement officer shall give the victim immediate notice of the legal rights and remedies available to a victim on a standard form developed and distributed in conjunction with the Department of Law Enforcement. The notice will include the resource listing, including telephone number, for the area certified rape crisis center as designated by the State.

A person who is the victim of sexual violence or the parent or legal guardian of a minor child who is living at home who is the victim of sexual violence has a standing in the circuit court to file a sworn petition for an injunction for protection against sexual violence on his or her own behalf, or on behalf of the minor child if:

1. The person has reported the sexual violence to a law enforcement agency and is cooperating in any criminal proceeding against the respondent, regardless of whether criminal charges based on the sexual violence have been filed, reduced, or dismissed by the state attorney; or
2. The respondent who committed the sexual violence against the victim or minor child was sentenced to a term of imprisonment in state prison for the sexual violence and the respondent's term of imprisonment has expired or is due to expire within 90 days following the date the petition is filed.

Further, La' James International College complies with State law in recognizing orders of protection for dating violence, domestic violence, repeat violence, and sexual violence. Any person who obtains an order of protection from the State or any reciprocal state should provide a copy to the Title IX Coordinator and / or College Administrator. A petitioner should then meet with Title IX Coordinator and/ or College Administrator to develop a Safety Action Plan, which is a plan to reduce risk of harm while on campus or coming and going from campus.

A victim has the option of filing a restraining order and should follow the directives from their local Iowa Law Enforcement for details.

To the extent of the victim's cooperation and consent, all Institutional offices will work cooperatively to ensure that the petitioner's health; physical safety, work and academic status are protected, pending the outcome of a formal Institution investigation of the complaint. Additionally, personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant. The Institution does not publish the name of crime victims nor publish any identifiable information regarding victims in ASR reports.

LJIC Awareness Programs & Prevention Campaigns

La' James International College engages in educational programming to prevent domestic violence, dating violence, sexual assault and stalking. Educational programming consists of

La' James International College Annual Campus Security Report & Clery Compliance- 2023

primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for students and faculty that:

1. Identifies domestic violence, dating violence, sexual assault and stalking as prohibited conduct;
2. Defines what behavior constitutes domestic violence, dating violence, sexual assault, and stalking;
3. Defines what behavior and actions constitute consent to sexual activity in:

Iowa

Sexual intimacy requires that all participants consent to the activity. Consent between two or more people is defined as an affirmative agreement--through clear actions or words--to engage in sexual activity. The person giving the consent must act freely, voluntarily, and with an understanding of their actions when giving the consent. Lack of protest or resistance does not constitute consent, nor does silence mean consent has been given. Relying solely on non-verbal communication can lead to misunderstanding. Persons who want to engage in sexual activity are responsible for obtaining consent--it should never be assumed. A prior relationship or prior sexual activity is not sufficient to demonstrate consent.

Consent must be present throughout the sexual activity--at any time, a participant can communicate that they no longer consent to continuing the activity. If there is confusion as to whether anyone has consented or continues to consent to sexual activity, it is essential that the participants stop the activity until the confusion can be clearly resolved.

In addition, under Iowa law the following people are unable to give consent:

- Persons who are asleep or unconscious
 - Persons who are incapacitated due to the influence of drugs, alcohol, or medication (see Iowa Code§ 709.1A Incapacitation)
<https://www.legis.iowa.gov/docs/ico/chapter/709.pdf>
 - Persons who are unable to communicate consent due to a mental or physical condition
 - Generally, minors under the age of 16.
4. Provides safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than the bystander.

When & How to Intervene

Every situation is different and there is no universal response when intervening to prevent sexual violence. Safety is key in deciding when and how to respond to sexual violence. Every person must decide for themselves the safest and most meaningful way to become an engaged bystander. Some ideas on how to maintain safety while being an engaged bystander:

- If you witness sexual violence, get support from people around you. You do not have to act alone. If you do not feel safe, contact the police.
 - When intervening, be respectful, direct and honest.
 - Group setting and sexual gestures made to a person in the group. Person becomes upset. An engaged bystander could tell the group to stop harassing the person or ask the person if they want to leave and tell an appropriate authority (Ex: Instructor or Supervisor.)
 - Group setting and a friend starts flirting with someone. The other person is not interested, but the friend will not leave them alone. An engaged bystander could approach the friend and start a conversation to distract them from the uninterested person.
5. Provides information on risk reduction so that students and employees may recognize

La' James International College Annual Campus Security Report & Clery Compliance- 2023

warning signs of abusive behavior and how to avoid potential attacks. – See below Risk Reduction/Warning Signs of Abusive Behavior

6. Provides an overview of information contained in the Annual Security Report in compliance with the Clery Act.

This educational campaign will consist of but not be limited to the distribution of educational materials to new students, participating in and presenting information and materials during student/employee orientation among other means of distribution through the year. The college also has a directory of services that are available to victims within the community to assist those who have suffered from a criminal act.

Risk Reduction/Warning Signs of Abusive Behavior

No victim is ever to blame for being assaulted or abused. Unfortunately, a person who is the victim of sexual or dating violence is more likely to be re-victimized. Below are some tips to help reduce your risk, to recognize warnings signs of abusive behavior and how to avoid potential attacks.

Warning Signs of Abusive Behavior

Domestic and dating abuse often escalates from threats and verbal abuse to violence. And, while physical injury may be the most obvious danger, the emotional and psychological consequences of domestic and dating violence are also severe. Warning signs of dating and domestic violence include:

1. Being afraid of your partner.
2. Constantly watching what you say to avoid a “blow up.”
3. Feelings of low self-worth and helplessness about your relationship.
4. Feeling isolated from family or friends because of your relationship.
5. Hiding bruises or other injuries from family or friends.
6. Being prevented from working, studying, going home, and/or using technology (including your cell phone.)
7. Being monitored by your partner at home, work, or school.
8. Being forced to do things you don't want to do.

Help Reduce Your Risk and Avoid Potential Attacks

If you are being abused or suspect that someone you know is being abused, speak up or intervene.

1. Learn how to look for “red flags” in relationships so you can learn to avoid some of those characteristics in future partners.
2. Consider making a report with the College Administrator and ask for a “no contact” directive from the college to prevent future contact.
3. Consider getting a protective order or stay away order.
4. Learn more about what behaviors constitute dating and domestic violence, understand it is not your fault, and talk with friends and family members about ways you can be supported.
5. Trust your instincts—if something doesn't feel right in a relationship, speak up or end it.

Sexual Assault Prevention (From Rape, Abuse and Incest National Network - RAINN)

- Try not to leave your drink unattended.
- Only drink from un-opened containers, or from drinks you have watched being

La' James International College Annual Campus Security Report & Clery Compliance- 2023

made and poured.

- Cover your drink. It is easy to slip in a small pill even while you are holding your drink. Hold a cup with your hand over the top or choose drinks that are contained in a bottle and keep your thumb over the nozzle.
- If you feel extremely tired or drunk for no apparent reason, you may have been drugged. Find your friends and ask them to leave with you as soon as possible.
- If you suspect you have been drugged, go to a hospital and ask to be tested.
- Keep track of how many drinks you have had.
- Try to come and leave with a group of people you trust.
- Avoid giving out your personal information (phone number, where you live, etc.). If someone asks for your number, take his/her number instead of giving out yours.

Traveling to and from campus and outside the campus building

- Make sure your cell phone is easily accessible and fully charged.
- Take major, public paths rather than less populated shortcuts if walking to and from the college.
- Avoid dimly lit places
- Avoid putting music headphones in both ears so that you can be more aware of your surroundings, especially if you are walking alone.
- Carry a noisemaker on your keychain.
- Carry a small flashlight on your keychain.

La' James International College has a sexual assault prevention program that includes, but is not limited to the following:

- If an assault occurs, notify the College Administrator immediately
- Do not disturb the crime scene
- Notify local law enforcement officials
- Secure counseling for the victim as applicable.
- Alter the academic schedule if applicable.
- Disciplinary actions on the assaulter includes dismissal from the college.

The nature of sexual assault, particularly when perpetrated by an acquaintance, makes it difficult for many survivors to report their experience. For this reason, the local Shelters and Women's Service Centers are primary places where individuals may seek assistance in complete confidentiality.

Suggestions to Reduce Risk:

- There is strength in numbers or group dates. Go to parties or clubs with a friend and be responsible for each other. Don't split up. Have a preplanned signal to let your friend know that you want to leave or need help.
- Control your alcohol; don't let it control you. Drink responsibly or not at all, especially on first dates.
- No substance abuse.
- Know your limits. It's never too late to say "no." Don't be embarrassed or ashamed to say "no" or ask someone to stop. It is your body.
- Verbalize your expectations. Be up front. Talk about sexual boundaries. A potentially embarrassing conversation could save you from a traumatic situation.
- Trust your gut instinct. Guard your personal space. If someone makes you uncomfortable, remove yourself from the situation.
- Believe in yourself. Know your rights. Women do not ask to be raped any more than a man with money in his pocket is asking to be robbed. You are in charge of your body and you can say "NO".
- End the night early if your date becomes drunk or abusive. No one deserves physical or emotional abuse.

If you are Sexually Assaulted

- Get to a safe place.
- Call the police as soon as it is safe to do so by dialing 9-1-1.

Reporting the Assault

Students who believe that they are victims of a sexual assault should contact their College Administrator.

School faculty, staff members or campus visitors who believe they are victims of a sexual assault should contact at least one of the following College officials:

- Title IX Coordinator
- College Administrator/ Investigator
- Human Resources

A STATEMENT OF PROGRAMS AVAILABLE TO STUDENTS AND EMPLOYEES RELATED TO CAMPUS SECURITY, PERSONAL SAFETY, AND CRIME PREVENTION

Nothing herein precludes any student, staff or faculty from contacting the appropriate authorities directly in the event they feel in threat of physical harm or imminent danger.

The College has access to a directory of services that are available, within the community, to assist those who have suffered from a criminal act. These services are usually free and are provided by the community. During the orientation of students, faculty and staff, procedures are outlined to cover the reporting of all criminal acts. Crisis resources are included in this report and also posted in the campuses.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES – STATEMENT OF POLICY

La' James International College has in place at each campus facility a campus response protocol. In an emergency or a dangerous situation, upon confirmation with the College Administrator, or designee, of the need for mass notification, the College Administrator, or designee, will without delay, taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. Emergency or dangerous situations may include, but are not limited to, gas leaks, tornadoes, contagious viruses, etc.

EMERGENCY NOTIFICATIONS

In the event of an emergency or a dangerous situation that poses an immediate threat to the campus community, La' James International College may utilize some or all of its mass notification capabilities to notify its campus community. These capabilities may include e-mail, voice mail and text messages to alert the campus community. In addition, members of the administration will post relevant updates and advisories on the appropriate school website www.ljic.edu and bulletin boards, as well as social media. The College Administrator, or designee, will simultaneously use the local means at her disposal to notify the campus students, staff and faculty of the situation, as well as disseminate pertinent information to relevant public entities. This emergency notification requirement does not replace the timely warning requirement described earlier. They differ in that the timely warning applies only to Clery reportable crimes while the emergency notification requirement addresses a much wider range of threats (i.e., gas leaks, tornadoes, contagious viruses, etc.). However, an institution that follows its emergency notification procedures is not required to issue a timely warning based on the same circumstances but must provide adequate follow-up information to the community as needed. Members of the community at large who are interested in receiving updates during an emergency can call the La' James International College student line 1-(888) 289-3842, check La' James Facebook for postings, or visit the website at www.ljic.edu.

Student Must Know – Emergency Information

The campus takes various precautionary measures to protect the students, staff, faculty, and campus visitors. LJIC campuses are located in small communities, and we have maintained good communication with police and fire departments to ensure the safety of our students and staff. Fire extinguishers are checked annually and tagged for proper working condition. Nevertheless, unavoidable emergencies may occur in extreme situations. Nothing herein precludes any student, staff or faculty from contacting the appropriate authorities directly in the event they feel in threat of physical harm or imminent danger.

Student Emergency Responses

There is potential for students to be involved in a variety of emergency situations for which appropriate actions must be taken. These possible situations include incidences that may require emergency evacuation, emergency lockdown, external lockdown, or to shelter in place.

Emergency Evacuation

Evacuation is the movement of campus occupants from a dangerous or potentially dangerous location to a safe location. There are two types of evacuation: fire evacuation and non-fire evacuation.

Emergency response and evacuation procedures are covered at orientation and posted within the college. Evacuation procedures are tested annually at each college. The annual tests are documented on the fire log and all students and staff sign verifying their participation.

Fire evacuation:

- Evacuation is mandatory when a fire alarm is activated.
- Follow authorized personnel's (e.g., faculty, staff, or fire department personnel, etc.) instructions if given.
- Assist people with disabilities, if possible.
- Ensure all doors and windows are closed as a room and building are evacuated. (Do not lock doors.)
- Do not attempt to reenter the facility unless and until directed to do so by authorized personnel.
- Evacuate to a safe distance and location from the building affected, away from fire hydrants, fire lanes, and not under power lines.

Non-fire evacuation

- A non-fire evacuation will be initiated by campus staff member.
- Follow campus staff member instructions if given.
- Assist people with disabilities if possible.
- Do not attempt to reenter the facility unless directed to do so

Emergency Lockdown

Emergency Lockdown is used to dramatically and rapidly enhance the level of security of the campus. By locking all exterior, interior and classroom doors, staff can make it more difficult for dangerous person(s) in the vicinity of the campus and in the campus to gain access to staff and students;

- Lock or barricade doors of classroom and internal student areas of congregation.
- Close blinds, turn off lights.
- Remain quiet and out of sight.
- If gunshots are heard, lie on the floor and try to use available resources for additional cover and concealment.
- If you are outside when a lockdown is declared, seek shelter away from danger.
- If a fire alarm is activated during a lockdown, proceed with extreme caution.
- Do not open the door for people claiming to be public safety personnel unless you have an opportunity to view photo identification or are instructed to do so by a staff member whom you recognize.

External Lockdown

External lockdown creates a physical layer of security between the internal and external dimensions of the campus. In addition to locked entrances, this may also include a supervised entry and exit to campus facilities, and/or barricade to campus property (e.g., barricades or chains restricting access to campus parking and grounds). This lockdown allows staff and students to

La' James International College Annual Campus Security Report & Clery Compliance- 2023

continue activities while maintaining access control to the campus and remain in an elevated state of security.

- Remain in classroom.
- Follow faculty and staff instructions
- Remain attentive to any change in status.

Shelter in place

Sheltering in place procedures are traditionally utilized when:

1. A tornado has been spotted.

2. There has been a chemical or biological incident outside of, but in proximity to a campus and available information indicates that there is no adequate time to evacuate building occupants to another safe location before the dangerous contaminants reach the facility.

- Follow staff and faculty instructions.
- Assist people with disabilities if possible
- If you are outside when a shelter in place is declared, immediately seek an interior room or hallway with no windows.
- Close windows and doors – do not lock doors.
- Remain in shelter until an all clear is given.

Nothing herein precludes any student, staff or faculty from contacting the appropriate authorities directly in the event they feel in threat of physical harm or imminent danger.

Staff and Faculty Emergency Responses

Staff and Faculty Must Know – Emergency Information

The campus takes various precautionary measures to protect the students, staff, faculty, and campus visitors. Nevertheless, unavoidable emergencies may occur in extreme situations.

*** In case of emergency: dial 911 ***

There are a number of different potential situations that may occur that have capability to impact students or staff and faculty. The following possible scenarios are described below with steps to be taken.

- Emergency evacuation for a fire incident
- Emergency evacuation for bomb threat or other non-fire situation
- Emergency lockdown
- External lockdown
- Shelter in place

Emergency Evacuation for a Fire Incident

Definition

A fire emergency evacuation is initiated when a fire incident occurs. Depending upon the campus size, it may require an evacuation of a single particular building affected by the fire incident, rather than the entire campus.

The objective: all building occupants are safely evacuated to a safe distance and location from the building affected, away from fire hydrants, fire lanes, and not under power lines.

Staff Response

Staff/faculty responsible for the affected areas should conduct a sweep of the building(s) to ensure all students are aware of and appropriately responding to the fire alarm and safely evacuated.

Fire evacuation procedures:

- Evacuation is mandatory when a fire alarm is activated.
- Designated staff or faculty check the affected building(s) to ensure all personnel are appropriately evacuating.
- Do not use the elevators as applicable.
- Assist people with disabilities if possible.
- Ensure all doors and windows are closed as a room and building are evacuated.
- Do not attempt to reenter the facility unless and until directed to do so by authorized personnel.
- Evacuated persons are directed to a safe distance and location from the building affected, away from fire hydrants, fire lanes, and not under power lines.

Emergency Evacuation for Bomb Threat or Other Non-Fire Situation

Definition

Non-fire emergency evacuation is used for any emergency evacuation not related to a fire incident. It is important to remember that evacuation distances significantly expand, up to hundreds of yards, for suspicious object evacuations. Nevertheless, not all bomb threats will necessarily result in evacuation, depending upon the individual event circumstances.

The objective: move all campus occupants to a remote, predefined and controlled location.

Staff members who are designated to sweep evacuation routes and sites should locate a staff member to take responsibility for students under their supervision and should then sweep the evacuation route and evacuation site for secondary hazards. They should immediately report their findings to the college administrator.

Note: The College Administrator or his/her designee will typically direct that this step be completed before making the general announcement for evacuation of the building.

Other staff:

1. Gather all students and visitors in your area of responsibility and evacuate using the route and site designated.
2. Ensure that all special needs persons are provided assistance.
3. Remain alert to your surroundings. Be particularly alert to any people or conditions that might pose a danger to evacuees. If you encounter a significant hazard, quickly evaluate the situation; adjust your evacuation route and attempt to notify the College Administrator, his/her designee, or the appropriate public safety officials.
4. Once you reach the designated evacuation site, search the site for suspicious objects and adjust accordingly.
5. On evacuation site - develop a written list of all evacuees and provide the list to the College Administrator, or his/her designee. Also indicate the presence or lack of any suspicious objects in your room/work area.
6. Supervise students under your care.
7. Do not attempt to reenter the facility unless the College Administrator or his/her designee directs you to do so.

Emergency Lockdown

Definition Emergency Lockdown is used to dramatically and rapidly enhance the level of security in the facility. By locking all exterior, interior and class doors, staff can make it more difficult for dangerous person(s) in the vicinity or in the facility to gain access to staff and students.

Note – locking doors should not eliminate immediate egress possibilities from the facility.

The objective: create as many physical layers of separation between you and the potential aggression.

Staff Response:

1. Make sure entrance points to the building near your location are locked immediately.
2. If you are located in an area with a door that can be locked, gather all students in the vicinity into the room and lock the door.
3. Improvise additional door blocking if possible.
4. Close blinds and cover additional windows, e.g., with a shirt, up-turned table, paper, etc.
5. Turn off lights in the room.
6. If possible, report your status to the College Administrator or designee by telephone or intercom.
7. Do not open the door for people claiming to be public safety personnel unless you have an opportunity to view photo identification or are instructed to do so by a staff member whom you recognize.

External Lockdown

Definition

External lockdown creates a physical layer of security between the internal and external dimensions of the campus. By locking all exterior doors and supervising these doors, staff can make it more difficult for a possible external intruder or a potentially dangerous person in the vicinity of the facility to gain access to staff and students. In addition to locked entrances and supervised entry and exit to campus facilities, this step may include barricades to campus property (e.g., barricades or chains restricting access to campus parking lots and grounds). This lockdown allows staff and students to continue with productive activities while maintaining access control to the facility.

Objective: create a physical layer of security between the external environment and internal campus operation while elevating the overall level of security.

Staff Response:

1. Make sure the designated entrance points to the building near your location are locked immediately.
2. If you are in an external classroom to the main building move students to alternative internal classrooms.
3. If possible, report your status to the College Administrator or designee by telephone or intercom.
4. Continue with normal activities as much as the situation allows.
5. If students or staff have a need to move about in the building, obtain permission first from the College Administrator or designee.
6. Be prepared to rapidly implement an emergency evacuation or emergency lockdown – if directed to do so or if circumstances indicate you should do so.

Shelter in Place

Definition

Sheltering in place procedures are traditionally utilized when:

1. A tornado has been spotted.
2. There has been a chemical or biological incident outside of, but in proximity to, a facility and available information indicates that there is no adequate time to evacuate building occupants to another safe location before the dangerous contaminants reach the facility.

La' James International College Annual Campus Security Report & Clery Compliance- 2023

Objective: seek immediate shelter away from doors and windows and remain there during an emergency

Staff Response:

1. All staff that are outdoors should quickly gather all students and adults in the area and instruct them to go inside the facility immediately. Once inside, if possible, instruct everyone to move to an interior area without windows and doors.
2. Close all windows and doors.
3. In chemical spills / biological incident - if available, use tape to cover all windows and doors with sheets of plastic to help reduce airflow into the area. Wet towels can be used to reduce airflow under doors. Close all outside air vents. Turn off all heating or ventilation systems. Use damp towels or cloths to cover any openings in walls or doors. Tape can also be used to cover any cracks, crevices, electrical outlets, cable television connections or other openings that might allow air to flow into the shelter area.
4. Listen to local radio or television news for instructions from emergency management and public safety officials.
5. Review emergency evacuation protocols

Missing Student Policy and Procedures

La' James International College does not have on-campus student housing; however, each student has the option to identify an individual to be contacted by LJIC officials or law enforcement personnel no later than 24 hours after the student is determined missing. If a student is under 18 years of age and not emancipated, federal law requires LJIC to notify a custodial parent or guardian no later than 24 hours after the student is determined missing, in addition to notifying any additional contact person designated by the student. Regardless of a student's age, LJIC will notify the appropriate law enforcement agency no later than 24 hours after the student is determined missing, unless the local law enforcement agency was the entity that made the determination that the student is missing. Any missing student report must be referred immediately to the local police department that has jurisdiction in the area.

If LJIC is notified of a potential missing student and determines that the student has been missing, LJIC will immediately initiate the emergency contact procedures notifying the contact person within 24 hours after the student is determined missing. Emergency contact information is designated on the LJIC enrollment application for each student and is kept confidential in their permanent file.

If a student believes that a person is missing, he/she should immediately notify the CSA - College Administrator, or other designated staff member and then to local law enforcement at the non-emergency number.

See non-emergency numbers by campus:

- Calling the student line 1-(888)-289-3842.

All Institutional offices will work cooperatively to ensure that the missing student's contact information will be registered confidentiality. Additionally, personal identifiable information about the missing student will be treated as confidential and will be accessible only to authorized campus officials, and that it may not be disclosed, except to law enforcement personnel in furtherance of a missing person investigation. The Institution does not publish the name of crime victims nor publish any identifiable information regarding victims in ASR reports.

Drug and Alcohol Policy

La' James International College Drug & Alcohol-Free Policy

La' James International College (LJIC) standards of conduct, prohibits the unlawful possession, use or distribution of drugs, and alcohol by students and employees on the campus's property, or as any part of the college activities. In the event of an accident, a drug or alcohol test may be required. Anyone possessing, using or distributing drugs or alcohol at La' James International College will be terminated and referred for prosecution for violations.

Re-enrollment or re-employment may only occur after the college has received written documentation, stating proof of treatment and release from an appropriate agency. The final decision for re-enrollment or re-employment is left up to the owners of the college. If an individual associated with the College is apprehended for violating any drug-or alcohol-related law when on college property, or participating in a college activity, LJIC will fully cooperate with all law enforcement agencies.

Consumption of alcohol and/or drugs is a matter of concern to LJIC, because LJIC is committed to maintaining an academic and social environment conducive to the professional and personal development of students and to the safety and welfare of all students, staff and guests.

Health Risks associated with use of illegal Drugs and Alcohol

Biennial Review of the Drug and Alcohol Policy

LJIC will review this Drug and Alcohol Policy biennially. This review includes a determination of the number of drug and alcohol related violations that occur on LJIC's campus or as part of LJIC's activities and the number of types of sanctions imposed by LJIC as a result of violations of this Policy. The term "campus" is defined in the same manner as it is defined for campus safety reporting required by the Clery Act. In general, the term "campus" includes any building or property owned or controlled by LJIC within a reasonably contiguous geographic area used in direct support of LJIC's educational purposes or used by students in support of LJIC's institutional purposes.

In the biennial review, LJIC will assess the effectiveness of this Policy. The effectiveness of the policy is measured by tracking the information described in the previous paragraph. In addition, LJIC will consider – if it is made aware of such information – the number of students or staff attending self-help or other counseling groups relating to alcohol or drug abuse.

The biennial review helps LJIC determine whether this Policy is effective or must be modified. LJIC maintains a copy of the biennial review, which is kept (along with any related documents) The biennial review is only given to the United States Department of Education if requested.
