The Ultimate Resource For Your School!

## Karen K. Gorman Memorial Scholarship\*

There are some characteristics in work and life that you just can't teach. They form from within and over time, they become part of who we are. One of those characteristics is the entrepreneurial spirit. It develops in the individuals who demonstrate a true passion for building something great from nothing and they are willing to push themselves to the limits to achieve big goals. In my 30 + years in the beauty industry, I have found the entrepreneurial spirit to be plentiful. Whether an employee, self-employed or employer, most beauty-industry professionals exhibit a great deal of passion, creativity, commitment and vision; traits that make for a great entrepreneur. You don't need to own a multibillion-dollar business or start the next Facebook to exhibit the qualities of having the entrepreneurial spirit. It's something you exhibit every day in how you approach your life and career. **We want to hear about your entrepreneurial spirit!**

You have the choice to submit a video essay or a written essay! Video essays should be 4-6 minutes long and uploaded to Dropbox, Google Drive or Microsoft OneDrive. If you opt for the written essay, you should submit a 1-2 page essay. Your video or written essay should detail your goals for the future, why you believe you will achieve these goals, and how your entrepreneurial spirit will help! You must submit this application along with your written essay or link to your video essay. A school official must sign off verifying the information and that you are in good standing in school.

For the winning applicants, the money will be paid directly to the school on behalf of the student and is to be applied toward tuition and education expenses, upon receipt of the winner's scholarship acceptance form and copy of acceptance letter to school. The scholarship recipient's name and essay may be used in marketing and promotional pieces as well as on the web.

Application and Essay must be received at YourNewSchool Office by the deadline date. Any application received late will be considered for the following period. Any application received early, will be considered in the period indicated on the application.
